---

**Fiscal Summary**

**State Effect:** None.

**Analysis**

**Current Law:** In Prince George's County, a Class B-DD (Development District) seven-day beer, wine, and liquor license may be issued to a restaurant in any single designated development district, as specified. The license authorizes the license holder to sell beer, wine, and liquor for on-premises consumption. The annual license fee is \$3,025.

**Local Revenues:** For each additional Class B-DD license that Prince George's County issues under the bill, county revenues increase by \$3,025 from license fees; however, the

number of additional Class B-DD licenses that might be issued under the bill cannot be reliably estimated at this time.
