(ii) on the basis of the fair market value of the property, the difference between the inheritance tax on the value elected under § 7-211 of this subtitle and the inheritance tax that would otherwise be payable.

(3) The notice shall be indexed:

(i) in the name of the register as grantee and in the name of the distributee of the qualifying property as the surviving joint tenant or in the name of the person responsible for paying the inheritance tax as grantor; and

(ii) in the block records, if maintained.

(4) When the additional inheritance tax that is due is paid, the register shall record a release of the lien in the land records of the county where the land is located.

(d) (1) The register shall give a receipt to each person who pays inheritance tax.

(2) The receipt discharges the person from liability for the amount of the inheritance tax that is paid.

(e) For an estate of a nonresident decedent, the register shall cooperate with the domiciliary taxing authorities and give them any information requested about the estate.

§7–232.

Each register shall certify to the Comptroller the amount of inheritance tax paid for each decedent for whom a Maryland estate tax return is filed with the register or for whom the register receives a request for the certification from:

(1) the Comptroller;

(2) the personal representative of the decedent's estate; or

(3) any person required to file a Maryland estate tax return with regard to property passing from the decedent.

§7–233.

(a) Each month, each register shall pay into the State Treasury an amount equal to the inheritance tax collected in the preceding month, less the commission allowed in subsection (b) of this section.

(b) A register is allowed a 25% commission on the inheritance tax collected.

(c) Each month, each register shall file with the Comptroller an inheritance tax collection report on the form that the Comptroller requires.

(d) If an inheritance tax claim for refund under § 13-901 of this article is allowed, the register making the determination shall:

(1) certify the amount to the Comptroller for payment; and

(2) if authorized by the Comptroller under § 2-702 of this article, pay the refund from money that the register has collected under this subtitle but not paid into the State Treasury.

§7–234.

(a) If a register fails to account for and remit money as required under § 7-233 of this subtitle, then 30 days after the failure, the Comptroller shall notify the Attorney General to put the register's bond in suit for the use of the State.

(b) In a suit under this section, the State shall recover:

(1) the amount that seems to be due; and

(2) interest, at the rate of 10% a year, from the date that the amount was payable.

(c) (1) A recovery under subsection (b) of this section is evidence of misbehavior.

(2) If a register is convicted of misbehavior for failure to account for and remit money as required under § 7-233 of this subtitle, the register shall be removed from office.

(d) If a register fails to account for or remit money as required under § 7-233 of this subtitle, the register shall forfeit the commission to which the register otherwise would be entitled.

§7–301.

(a) In this subtitle the following words have the meanings indicated.

(b) "Estate" means the federal gross estate of a decedent, as determined by Subtitle B of the Internal Revenue Code, as increased by any property not otherwise included in the federal gross estate that is deemed to be included pursuant to § 7-309(b)(6) of this subtitle.

(c) "Federal estate tax" means the tax imposed by Chapter 11 of the Internal Revenue Code.

(d) "Maryland estate" means the part of an estate that this State has the power to subject to the Maryland estate tax.

§7–302.

Except as provided in § 7-303 of this subtitle, a tax is imposed on the transfer of the Maryland estate of each decedent who, at the time of death, was:

(1) a resident of this State; or

(2) a nonresident of this State whose estate includes any interest in:

(i) real property permanently located in this State; or

(ii) tangible personal property that has a taxable situs in this State.

§7–303.

(a) Except as provided in subsection (b) of this section, the Maryland estate tax does not apply to the transfer of personal property in an estate of a nonresident decedent, if, at the time of death, the decedent is a resident of a state or foreign country whose law, when the personal property is transferred:

(1) does not impose death taxes on the transfer of similar personal property of a resident of this State; or

(2) contains a reciprocal exemption from death taxes similar to the exemption allowed under this subsection.

(b) The exemption under subsection (a) of this section does not include a transfer of tangible personal property that has a taxable situs in this State.

§7–304.

(a) Subject to § 7-309 of this subtitle, in this section, "federal credit" means the maximum credit for death taxes paid to any state that is allowable under § 2011 of the Internal Revenue Code against the federal estate tax of a decedent as reduced by the proportion that the amount of the estate not included in the Maryland estate bears to the amount of the entire estate of the decedent.

(b) (1) Except as otherwise provided in this subsection, the Maryland estate tax is the amount, if any, by which the federal credit exceeds the total of death taxes other than the Maryland estate tax that:

(i) are imposed by a state on property included in the Maryland estate;

(ii) are allowable in computing the federal credit; and

(iii) except as provided in § 13-906 of this article, have actually been paid out of the Maryland estate and received by the appropriate unit of this State.

(2) Subject to § 7-309 of this subtitle, the Maryland estate tax may not exceed the amount whose timely payment in accordance with federal law would reduce the amount of the federal estate tax payable out of the Maryland estate had this subtitle not been enacted.

(c) The Maryland estate tax is not affected by a failure to take or preserve the federal credit.

§7–305.

(a) If a federal estate tax return is required to be filed, the person responsible for filing the federal estate tax return shall complete, under oath, and file a Maryland estate tax return with the Comptroller 9 months after the date of the death of a decedent.

(b) If a federal estate tax return is not required to be filed but a federal estate tax return would be required to be filed if the applicable exclusion amount under § 2010(c) of the Internal Revenue Code were no greater than the applicable exclusion amount specified under § 7–309(b) of this subtitle, the person who would be responsible for filing the federal estate tax return shall complete, under oath, and file a Maryland estate tax return with the Comptroller 9 months after the date of the death of the decedent.

(c) (1) If a person files a Maryland estate tax return solely for the purpose of making the election under § 7–309(b) of this subtitle to allow a surviving spouse to take into account the deceased spousal unused exclusion amount, the person shall file the Maryland estate tax return within the time period prescribed for making an election on a federal estate tax return to allow a surviving spouse to take into account the deceased spousal unused exclusion amount.

(2) The Comptroller shall adopt regulations necessary to ensure that the time period for making the election under § 7–309(b) of this subtitle on a Maryland estate tax return is identical to that for a similarly situated federal estate tax return.

(d) (1) After a person files a Maryland estate tax return, the person shall file an amended Maryland estate tax return with the Comptroller if the Maryland estate tax liability is increased because of:

(i) a change in the federal gross estate, federal taxable estate, federal estate tax, or other change as determined under the Internal Revenue Code;

(ii) after–discovered property;

(iii) a correction to the value of previously reported property;

(iv) a correction to the amount of previously claimed deductions; or

(v) any other correction to a previously filed return.

(2) (i) The amended return shall be filed within 90 days after the later to occur of the date of the event that caused the increase in the Maryland estate tax liability or the date on which the person required to file an amended Maryland estate tax return learned or reasonably should have learned of the increase in the Maryland estate tax liability.

(ii) On request, each register shall certify to the Comptroller the amount of inheritance tax paid for each decedent for whom an amended Maryland estate tax return is filed with the Comptroller.

§7–305.1.

(a) This section does not apply to an amended estate tax return.

(b) (1) Subject to § 13-601 of this article, the Comptroller may extend the time to file an estate tax return up to 6 months, or if the person required to file the estate tax return is out of the United States, up to 1 year.

(2) An estate that is afforded a later due date for filing the federal estate tax return under the Internal Revenue Code shall be afforded the same later due date for filing the Maryland estate tax return.

(3) A request for an extension of time to file the Maryland estate tax return shall be filed on a form prescribed by the Comptroller.

§7–306.

(a) Except as provided in § 7–307 of this subtitle, the person responsible for filing the Maryland estate tax return under § 7–305 of this subtitle shall pay the Maryland estate tax to the Comptroller no later than 9 months after the date of the death of the decedent.

(b) An extension of time to file the Maryland estate tax return granted by the Comptroller under § 7–305.1 of this subtitle does not extend the time for remitting the Maryland estate tax.

(c) If an amended Maryland estate tax return is filed pursuant to § 7–305(d) of this subtitle, the person responsible for filing the amended Maryland estate tax return shall pay the additional Maryland estate tax developed on the amended Maryland estate tax return to the Comptroller when the amended Maryland estate tax return is filed with the Comptroller.

§7–307.

(a) On application of the person responsible for paying the Maryland estate tax and subject to § 13–601 of this article, the Comptroller may allow an alternative payment schedule for the Maryland estate tax, notwithstanding any payment extension under § 6166 of the Internal Revenue Code.

(b) The payment schedule may be in the form of:

(1) a payment deferral; or

(2) an installment payment plan.

(c) (1) For each alternative payment schedule allowed under subsection (a) of this section, the Comptroller shall specify the procedures and guidelines, including:

(i) conditions of eligibility; and

(ii) 1. amount and duration of any payment deferral; or

2. amount of and scheduled time for any installment payments.

(2) If the Comptroller denies an application for an alternative payment schedule, the Comptroller shall mail a notice of the denial to the applicant.

(d) (1) If an alternative payment schedule is allowed under subsection (a) of this section, the person responsible for filing the Maryland estate tax return under § 7–305 of this subtitle shall pay the tax in accordance with the schedule.

(2) If the Maryland estate tax is paid in accordance with an alternative payment schedule allowed under subsection (a) of this section, a penalty for the late payment of the tax may not be assessed under § 13–701 of this article.

§7–308.

(a) (1) In this section the following words have the meanings indicated.

(2) "Fiduciary" means a personal representative or trustee.

(3) "Person" includes any government, political subdivision, or governmental unit.

(4) "Person interested in the estate" means any person who is entitled to receive or has received, from a decedent while alive or by reason of the death of a decedent, any property or interest in property included in the taxable estate of the decedent.

(5) "Tax" means the federal estate tax and the Maryland estate tax and interest and penalties imposed in addition to the taxes.

(b) (1) The tax shall be apportioned among all persons interested in the estate. Except as otherwise provided in this subsection, the apportionment shall be made in the proportion that the value of the interest of each person interested in the estate bears to the total value of the interests of all persons interested in the estate. The values used in determining the tax shall be used for that purpose.

(2) (i) If any part of the estate consists of property the value of which is deemed includible in the estate under § 7-309(b)(6) of this subtitle, the amount of Maryland estate tax apportioned to the person or persons receiving that property shall be the amount by which the total tax under this subtitle that has been paid exceeds the total tax under this subtitle that would have been payable if the value of that property had not been deemed includible in the estate.

(ii) Any tax apportioned under this paragraph shall be apportioned among all persons receiving that property in the proportion that the value of the property received by each person bears to the total value of all such property.

(c) (1) The court shall determine the apportionment of the tax. If there are no administration proceedings, the court of the county where the decedent was domiciled at death shall determine the apportionment of the tax on the application of the person required to pay the tax.

(2) If the court finds that it is inequitable to apportion interest and penalties as provided in this section because of special circumstances, the court may direct apportionment in the manner that it finds equitable.

(3) The expenses reasonably incurred by any fiduciary and by any other person interested in the estate in connection with the determination of the amount and apportionment of the tax shall be apportioned as provided in subsection (b) of this section and charged and collected as a part of the tax apportioned. If the court finds that it is inequitable to apportion the expenses as provided in subsection (b) of this section, the court may direct an equitable apportionment.

(4) If the court finds that the assessment of penalties and interest assessed in relation to the tax is due to delay caused by the negligence of the fiduciary, the court may charge the fiduciary with the amount of the assessed penalties and interest.

(5) In any suit or judicial proceeding to recover from any person interested in the estate the amount of the tax apportioned to the person in accordance with this section, the determination of the court is prima facie correct.

(d) (1) The fiduciary or other person required to pay the tax may withhold, from any property of the decedent that is in the possession of the person and is distributable to any person interested in the estate, the amount of tax attributable to that person's interest. If the property in the possession of the fiduciary or other person required to pay the tax and distributable to any person interested in the estate is insufficient to satisfy the proportionate amount of the tax determined to be due from the person, the fiduciary or other person required to pay the tax may recover the deficiency from the person interested in the estate. If the property is not in the possession of the fiduciary or other person required to pay the tax, the person may recover from any person interested in the estate the amount of the tax apportioned to that person in accordance with this section.

(2) If property held by the fiduciary or other person required to pay the tax is distributed before the final apportionment of the tax, the person may require the distributee to provide a bond or other security for the apportionment liability in the form and amount required by the fiduciary or other person, with the approval of the court.

(3) If the fiduciary or other person required to pay the tax transfers any property included in the estate to another person, other than a bona fide purchaser for value, the transferee is jointly and severally liable with the transferor for the amount of tax apportioned to the transferor under this section, less the value, at the time of the transfer, of any consideration given by the transferee for the property.

(e) (1) In making an apportionment, allowances shall be made for any exemptions granted and for any deductions and credits allowed by the law imposing the tax.

(2) Any exemption or reduction allowed by reason of the relationship of any person to the decedent or by reason of the purposes of the gift inures to the benefit of the person bearing that relationship or receiving the gift. If an interest is subject to a prior present interest that is not allowable as a deduction, the tax apportionable against the present interest shall be paid from principal.

(3) Any credit for property previously taxed, any credit for state death taxes, and any credit for gift taxes or death taxes of a foreign country inure to the proportionate benefit of all persons liable to apportionment.

(4) To the extent that property passing to or in trust for a surviving spouse or any charitable, public or similar gift or bequest is not an allowable deduction for purposes of the tax solely by reason of an inheritance tax or other death taxes imposed on and deductible from the property, the property is not included in the computation for which this section provides and, to that extent, an apportionment may not be made against the property. This paragraph does not apply if the result deprives the estate of a deduction otherwise allowable under § 2053 (d) of the Internal Revenue Code, relating to deduction for state death taxes on transfers for public, charitable or religious uses.

(f) An interest in income, an estate for years, an estate for life, or any other temporary interest in any property or money is not subject to apportionment between the temporary interest and the remainder. The tax on the temporary interest and the tax, if any, on the remainder is chargeable against the corpus of the property or money subject to the temporary interest and remainder.

(g) The fiduciary or other person required to pay the tax need not institute any suit or proceeding to recover from any person interested in the estate the amount of the tax apportioned to that person until the expiration of the 6 months next following the payment of any tax. If the fiduciary or other person required to pay the tax cannot collect from any person interested in the estate the amount of tax apportioned to the person, the amount not recoverable shall be equitably apportioned among the other persons interested in the estate who are subject to apportionment.

(h) Subject to this subsection, a fiduciary acting in another state or a person required to pay the tax who is resident in another state may institute an action in a court of this State and may recover a proportionate amount of the federal estate tax or an estate tax payable to another state or of a death duty due by an estate to another state from a person interested in the estate who either is resident in this State or

owns property in this State subject to attachment or execution. For the purpose of the action, the determination of apportionment by the court having jurisdiction of the administration of the estate in the other state is prima facie correct. This subsection applies only if the state in which the determination of apportionment was made affords a substantially similar remedy.

(i) The provisions of this section that are uniform with statutes enacted in other states shall be construed to make uniform the laws of those states that enact the uniform provisions.

(j) This section may be cited as the "Maryland Uniform Estate Tax Apportionment Act".

(k) Except as otherwise provided in the will or other controlling instrument, this section applies to the apportionment of, and contribution to, the federal and Maryland estate taxes.

§7–309.

(a) Notwithstanding an Act of Congress that repeals or reduces the federal credit under § 2011 of the Internal Revenue Code, the provisions of this subtitle in effect before the passage of the Act of Congress shall apply with respect to a decedent who dies after the effective date of the Act of Congress so as to continue the Maryland estate tax in force without reduction in the same manner as if the federal credit had not been repealed or reduced.

(b) (1) Except as provided in paragraphs (2) through (9) of this subsection and subsection (c) of this section, after the effective date of an Act of Congress described in subsection (a) of this section, the Maryland estate tax shall be determined using:

(i) the federal credit allowable by § 2011 of the Internal Revenue Code as in effect before the reduction or repeal of the federal credit pursuant to the Act of Congress; and

(ii) other provisions of federal estate tax law as in effect on the date of the decedent's death.

(2) Except as provided in paragraphs (3) through (9) of this subsection and subsection (c) of this section, if the federal estate tax is not in effect on the date of the decedent's death, the Maryland estate tax shall be determined using:

(i) the federal credit allowable by § 2011 of the Internal Revenue Code as in effect before the reduction or repeal of the federal credit pursuant to the Act of Congress; and

(ii) other provisions of federal estate tax law as in effect on the date immediately preceding the effective date of the repeal of the federal estate tax.

(3) (i) Notwithstanding any increase in the unified credit allowed against the federal estate tax for decedents dying after 2003, the unified credit used for determining the Maryland estate tax for a decedent may not exceed the applicable credit amount corresponding to an applicable exclusion amount, within the meaning of § 2010(c) of the Internal Revenue Code, of:

1. $1,000,000 for a decedent dying before January 1, 2015;

2. $1,500,000 for a decedent dying on or after January 1, 2015, but before January 1, 2016;

3. $2,000,000 for a decedent dying on or after January 1, 2016, but before January 1, 2017;

4. $3,000,000 for a decedent dying on or after January 1, 2017, but before January 1, 2018;

5. $4,000,000 for a decedent dying on or after January 1, 2018, but before January 1, 2019; and

6. $5,000,000 for a decedent dying on or after January 1, 2019, plus any deceased spousal unused exclusion amount calculated in accordance with paragraph (9) of this subsection.

(ii) The Maryland estate tax shall be determined without regard to any deduction for State death taxes allowed under § 2058 of the Internal Revenue Code.

(iii) Unless the federal credit allowable by § 2011 of the Internal Revenue Code is in effect on the date of the decedent's death, the federal credit used to determine the Maryland estate tax may not exceed 16% of the amount by which the decedent's taxable estate, as defined in § 2051 of the Internal Revenue Code, exceeds:

1. $1,000,000 for a decedent dying before January 1, 2015;

2. $1,500,000 for a decedent dying on or after January 1, 2015, but before January 1, 2016;

3. $2,000,000 for a decedent dying on or after January 1, 2016, but before January 1, 2017;

4. $3,000,000 for a decedent dying on or after January 1, 2017, but before January 1, 2018;

5. $4,000,000 for a decedent dying on or after January 1, 2018, but before January 1, 2019; and

6. $5,000,000 for a decedent dying on or after January 1, 2019, plus any deceased spousal unused exclusion amount calculated in accordance with paragraph (9) of this subsection.

(4) (i) With regard to an election to value property as provided in § 2032 of the Internal Revenue Code, if a federal estate tax return is not required to be filed:

1. an irrevocable election made on a timely filed Maryland estate tax return shall be deemed to be an election as required by § 2032(d) of the Internal Revenue Code;

2. the provisions of § 2032(c) of the Internal Revenue Code do not apply; and

3. an election may not be made under item 1 of this subparagraph unless that election will decrease:

A. the value of the gross estate; and

B. the Maryland estate tax due with regard to the transfer of a decedent's Maryland estate.

(ii) An election to value property as provided in § 2032 of the Internal Revenue Code for Maryland estate tax purposes must be the same as the election made for federal estate tax purposes.

(5) (i) With regard to an election to treat property as marital deduction qualified terminable interest property in calculating the Maryland estate tax, an irrevocable election made on a timely filed Maryland estate tax return shall

be deemed to be an election as required by § 2056(b)(7)(B)(i), (iii), and (v) of the Internal Revenue Code.

(ii) An election under this paragraph made on a timely filed Maryland estate tax return shall be recognized for purposes of calculating the Maryland estate tax even if an inconsistent election is made for the same decedent for federal estate tax purposes.

(6) (i) For purposes of calculating Maryland estate tax, a decedent shall be deemed to have had a qualifying income interest for life under § 2044(a) of the Internal Revenue Code with regard to any property for which a marital deduction qualified terminable interest property election was made for the decedent's predeceased spouse on a timely filed Maryland estate tax return under paragraph (5) of this subsection.

(ii) For the purpose of apportioning Maryland estate tax under § 7–308 of this subtitle, any property as to which a decedent is deemed to have had a qualifying income interest for life under subparagraph (i) of this paragraph shall be deemed to be included in both the estate and the taxable estate of the decedent.

(7) For purposes of calculating Maryland estate tax, amounts allowable under § 2053 or § 2054 of the Internal Revenue Code as a deduction in computing the taxable estate of a decedent may not be allowed as a deduction or as an offset against the sales price of property in determining gain or loss if the amount has been allowed as a deduction in computing the federal taxable income of the estate or of any other person.

(8) Notwithstanding any contrary definition of "marriage" and "spouse" under any applicable provision of federal law, for purposes of calculating Maryland estate tax under this subsection, the surviving "spouse" of a decedent shall include any individual to whom, at the time of the decedent's death, the decedent was lawfully married as determined under the laws of the State.

(9) (i) In this paragraph, "deceased spousal unused exclusion amount" means the applicable exclusion amount in effect at the time of the death of the last predeceased spouse of the decedent under paragraph (3) of this subsection reduced by the taxable estate of the last predeceased spouse:

1. as reported on a Maryland estate tax return filed with the Comptroller; or

2. as reported on a federal estate tax return, if:

A. the last predeceased spouse was not a Maryland resident and no property with a Maryland estate tax situs was includible in the gross estate of the last predeceased spouse; or

B. the last predeceased spouse died before January 1, 2019, and no Maryland estate tax return was required to be filed with respect to the predeceased spouse's estate.

(ii) The deceased spousal unused exclusion amount may not be taken into account under paragraph (3) of this subsection unless:

1. if the last predeceased spouse died on or after January 1, 2019, a Maryland estate tax return is timely filed for the last predeceased spouse, on which the deceased spousal unused exclusion amount is calculated and an irrevocable election is made that the deceased spousal unused exclusion amount may be taken into account; or

2. if the last predeceased spouse died before January 1, 2019, or was not a Maryland resident and no property with a Maryland estate tax situs was includible in the gross estate of the last predeceased spouse, an election was made under § 2010(c) of the Internal Revenue Code on the federal estate tax return of the last predeceased spouse.

(iii) 1. Notwithstanding any other provision of this article, the Comptroller may examine a Maryland estate tax return of a predeceased spouse after the time for assessing a tax under this title has expired under § 13–1101 of this article solely for the purposes of determining the validity of the deceased spousal unused exclusion election and the amount to be taken into account under paragraph (3) of this subsection.

2. This subparagraph may not be construed to authorize the assessment of any additional tax with respect to the predeceased spouse's Maryland estate tax return if the period of limitation under § 13–1101 of this article has expired.

(c) (1) (i) In this subsection the following words have the meanings indicated.

(ii) "Farming purposes" has the meaning stated in § 2032A(e)(5) of the Internal Revenue Code.

(iii) "Qualified agricultural property" means real or personal property that is used primarily for farming purposes.

(iv) "Qualified recipient" means an individual who enters into an agreement to use qualified agricultural property for farming purposes after the decedent's death.

(2) The Maryland estate tax shall be determined by excluding from the value of the gross estate up to $5,000,000 of the value of qualified agricultural property that passes from the decedent to or for the use of a qualified recipient.

(3) If the value of qualified agricultural property that passes from the decedent to or for the use of a qualified recipient exceeds $5,000,000, the Maryland estate tax imposed on the Maryland estate of the decedent may not exceed the sum of:

(i) 16% of the amount by which the decedent's taxable estate, excluding the value of all qualified agricultural property that passes from the decedent to or for the use of a qualified recipient, exceeds the applicable exclusion amount specified under subsection (b) of this section; and

(ii) 5% of the amount by which the value of qualified agricultural property that passes from the decedent to or for the use of a qualified recipient exceeds $5,000,000.

(4) (i) The Maryland estate tax shall be recaptured as provided in this paragraph if, within 10 years after the decedent's death, the qualified agricultural property ceases to be used for farming purposes.

(ii) The amount of the estate tax imposed under this paragraph shall be the additional Maryland estate tax that would have been payable at the time of the decedent's death but for the provisions under paragraphs (2) and (3) of this subsection.

(5) The Comptroller shall adopt regulations to implement this subsection.

(2) The addition under this subsection includes any otherwise deductible interest expense or intangible expense if the interest expense or intangible expense is directly or indirectly paid, accrued, or incurred to, or in connection directly

or indirectly with one or more direct or indirect transactions with, one or more related members.

(c) The addition required under subsection (b) of this section does not apply to any portion of the interest expense or intangible expense to the extent that the corporation establishes, as determined by the Comptroller, that:

(1) the transaction giving rise to the payment of the interest expense or intangible expense between the corporation and the related member did not have as a principal purpose the avoidance of any portion of the tax due under this title;

(2) the interest expense or intangible expense was paid pursuant to arm's–length contracts at an arm's–length rate of interest or price; and

(3) (i) during the same taxable year, the related member directly or indirectly paid, accrued, or incurred the interest expense or intangible expense to a person who is not a related member;

(iii) in the case of an interest expense, the corporation and the related member are banks.

(d) (1) Subject to regulations adopted by the Comptroller, the addition required under subsection (b) of this section does not apply if, in lieu of the 4% effective tax rate requirement under subsection (c)(3)(ii)3 of this section, the aggregate effective tax rate imposed on the amounts received by the recipient is greater than or equal to the aggregate effective tax rate that would have been imposed on the additional income of the payor corporation if the interest expense or intangible expense had not been deducted.

(2) For purposes of subsection (c)(3)(ii) of this section, the Comptroller may provide by regulation for an alternative to the effective tax rate requirement of subsection (c)(3)(ii)3 of this section if:

(i) the related member:

1. is subject in another state or in a foreign nation that has entered into a comprehensive tax treaty with the United States government to a tax that is measured by gross receipts or is measured by net capital or net worth; and

2. is not subject in that state or in that foreign nation to a tax measured by net income or receipts; or

(ii) under other circumstances demonstrating to the satisfaction of the Comptroller that avoidance of any portion of the tax due under this title is not a principal purpose of the transaction giving rise to the payment of the interest expense or intangible expense between the corporation and the related member, the Comptroller determines that it is impractical for a related member that is subject to tax in this State, another state, or a foreign nation that has entered into a comprehensive tax treaty with the United States government, where the measure of the tax includes the payment to satisfy the requirements of subsection (c)(3)(ii) of this section.

(e) If the payor and the recipient are both included in a combined or consolidated report filed in a jurisdiction:

(1) for purposes of subsection (c)(3)(ii)2 of this section, the measure of the tax imposed by that jurisdiction shall be deemed to include the interest expense or intangible expense; and

(2) for purposes of determining the effective rate of tax imposed by the jurisdiction, the applicable apportionment rate is the lesser of:

(i) the apportionment rate of the recipient corporation, determined by using only that corporation's factors in the numerators and denominators of the apportionment formula; or

(ii) the apportionment rate of the combined or consolidated group, determined by combining the recipient corporation's factors with the factors of other members of the group included in the combined or consolidated report.

(f) (1) In addition to the modifications under §§ 10–305 and 10–306 of this subtitle, subject to paragraph (2) of this subsection, to determine Maryland taxable income, an amount is subtracted from the federal taxable income of a

corporation equal to the amount received as royalties, interest, or similar income from intangibles from a related member to the extent the related member, with respect to the payment, is subject to the addition modification under subsection (b) of this section or a similar addition modification of another state or of a foreign nation that has entered into a comprehensive tax treaty with the United States government for intangible expenses or interest expenses paid to related members.

(2) The subtraction modification under this subsection is not allowed to the extent that:

(i) the transaction giving rise to the payment of the interest expense or intangible expense had as a principal purpose the avoidance of State income taxes;

(ii) the interest expense or intangible expense was not paid pursuant to arm's–length contracts at an arm's–length rate of interest or price; or

(iii) the aggregate effective tax rate imposed on the amounts received by the recipient exceeds the aggregate effective tax rate imposed on the income of the payor corporation.

(g) This section may not be construed:

(1) to require a corporation to include in or add to its net income more than once any amount of interest expense or intangible expense that the corporation pays, accrues, or incurs to a related member; or

(2) to limit or negate any other authority provided to the Comptroller under this article, including:

(i) the authority to make adjustments under § 10–109 or § 10–402(e) of this title; or

Subject to § 11–302 of this title, a vendor may:

(1) assume or absorb all or any part of the sales and use tax imposed on a retail sale or use; and

(2) pay that sales and use tax on behalf of the buyer.

§11–403.

(a) In this section, "sale" includes a booking transaction made through a short–term rental platform.

(b) Except as otherwise provided in this subtitle, a vendor shall collect the applicable sales and use tax from the buyer:

(1) at the time that the sale is made, regardless of when the taxable price is paid;

(2) if the tax is based on a credit or installment sale, at the time that the Comptroller requires by regulation; or

(3) if a sale for use is not taxable when the sale is made, at the time that the use becomes taxable.

(c) Except as otherwise provided in this title, unless a buyer is otherwise required by regulation to pay the sales and use tax directly to the Comptroller, the buyer shall pay the sales and use tax to the vendor at the time required under subsection (b) of this section.

(d) A vendor shall refund to a buyer the proportionate amount of sales and use tax that the buyer has paid if:

(e) (1) A class action may not be brought against a marketplace facilitator in a court of this State on behalf of buyers arising from or in any way related to an overpayment of sales or use tax collected on sales facilitated by the marketplace facilitator, regardless of whether that claim is characterized as a tax refund claim.

(2) Paragraph (1) of this subsection may not be construed to affect a buyer's right to seek a refund under subsection (c) of this section or Title 13, Subtitle 9 of this article.

(f) (1) This subsection does not apply if a marketplace facilitator and a marketplace seller are related entities.

(2) A marketplace facilitator is not liable for a failure to collect the correct amount of sales and use tax due under this section if the marketplace facilitator demonstrates to the satisfaction of the Comptroller that the failure was the result of insufficient or incorrect information provided by the marketplace seller.

(g) Nothing in this section affects the obligation of a buyer to remit the applicable sales and use tax for any taxable sale for which a marketplace facilitator fails to collect and remit the applicable sales and use tax.

(h) (1) A marketplace facilitator and marketplace seller may apply to the Comptroller for a waiver of the collection requirement under this section if:

(3) The Comptroller shall adopt regulations that establish:

(i) the criteria for obtaining a waiver under this subsection; and

(ii) the process and procedure to apply for a waiver.

(i) (1) If the Comptroller conducts an audit for compliance with this section, the Comptroller may audit only the marketplace facilitator for sales made by a marketplace seller that are facilitated by the marketplace facilitator.

(2) The Comptroller may not audit the marketplace seller for sales facilitated by the marketplace facilitator for which the marketplace facilitator collected or should have collected the sales and use tax due.

§11–404.

The collection of the sales and use tax on a sale for use in the State is not affected even if:

(1) as a result of solicitation by the vendor in a catalog or other written advertisement, the order of the buyer or the contract of sale is delivered, mailed, or otherwise transmitted out of the State to the vendor;

(5) whether transportation costs are paid by the vendor or the buyer, tangible personal property:

(i) is mailed to a buyer in the State from outside the State; or

(ii) is delivered outside the State to a carrier freight on board or otherwise and directed to the buyer in the State.

§11–405.

A vendor who sells tangible personal property, a digital code, a digital product, or a taxable service through a vending or other self–service machine:

(2) may not collect the sales and use tax from the buyer as a separately stated item.

§11–406.

(a) (1) If the nature of a vendor's business makes the collection of the sales and use tax at the time of a retail sale impracticable, the vendor may submit to the Comptroller an application for authority to prepay the tax.

(2) If the Comptroller approves the application, the Comptroller may impose on the applicant any condition that is reasonable under the circumstances.

(3) If the Comptroller denies an application or imposes a condition on the applicant, the Comptroller shall:

(b) A vendor who receives evidence that the buyer has a direct payment permit is discharged from:

(1) the duty to collect the sales and use tax; and

(2) the liability for the sales and use tax.

(c) (1) (i) The Comptroller may enter into an effective rate agreement with a vendor licensed under Subtitle 7 of this title to allow the vendor to compute its sales and use tax liability for purchases made by the vendor for a specific period using a predetermined agreed-upon effective rate, eliminating the need to determine the liability on a transaction-by-transaction basis.

(ii) An effective rate agreement:

1. shall specify the types of records to be maintained by the vendor; and

2. may exclude specified types of purchases or purchases in excess of specified dollar amounts.

(iii) The Comptroller may void an effective rate agreement entered into under this subsection if the vendor's operations significantly change during the term of the agreement.

(2) (i) If the Comptroller enters into an effective rate agreement with a vendor under this subsection, the Comptroller may issue a direct payment permit authorizing the vendor to make direct payment, to the Comptroller, of the sales and use tax due on purchases by that vendor that are subject to the effective rate agreement.

(ii) A direct payment permit issued under this paragraph remains in effect as long as the effective rate agreement is in effect.

(2) (i) If a buyer provides a resale certificate with a sales and use tax registration number of another state as provided under paragraph (1)(iii)2 of this subsection, the buyer shall also provide a copy of a sales and use tax registration license issued to the buyer from that state.

(ii) If a buyer is from a state without a sales and use tax, that buyer shall provide a copy of a trader's license from that state or a comparable type of identification.

(3) (i) A vendor may not accept a resale certificate if the vendor knows or should know that the sale is not for the purpose of resale.

(ii) A vendor may not accept a resale certificate for a cash, check, or credit card sale if:
