1 equal to the lesser of (i) the authorized amount of the State grant or (ii) the amount of the
2 matching fund certified by the Board of Public Works. If satisfactory evidence is presented,
3 the Board shall certify this fact and the amount of the matching fund to the State Treasurer
4 and the proceeds of the loan equal to the amount of the matching fund shall be expended for
5 the purposes provided in this Act. If this evidence is not presented by June 1, 2026, the
6 proceeds of the loan shall be applied to the purposes authorized in § 8–129 of the State
7 Finance and Procurement Article. The proceeds of any amount of the loan in excess of the
8 matching fund certified by the Board of Public Works shall also be applied to the purposes
9 authorized in § 8–129 of the State Finance and Procurement Article.

10 (6) (a) Prior to approval by the Board of Public Works of an expenditure of bond
11 proceeds authorized under Section 1(3) Items ZA00 through ZB02 of this Act, the grantee
12 shall grant and convey to the Maryland Historical Trust a historic preservation easement
13 on the property where the capital project assisted by the bond proceeds is located if the
14 Director of the Trust determines that the capital project impacts real property that is
15 individually listed in, or eligible for individual listing in, the Maryland Register of Historic
16 Properties, unless the Director of the Trust also determines that the real property:

17 (i) Is a type that is already adequately represented among the
18 Trust's existing easement properties;

19 (ii) Is already subject to adequate protections of historic preservation
20 law or instrument; or

21 (iii) Has conditions peculiar to it that make requiring an easement
22 impractical.

23 (b) If the grantee holds a lease on the property, the Trust may accept an
24 easement on the leasehold interest.

25 (c) The easement must be in form, substance, and duration acceptable to
26 the Director of the Trust.

27 (d) (i) A recipient may administratively appeal to the Maryland
28 Historical Trust Board of Trustees a determination made by the Director of the Trust under
29 subparagraph (a) of this paragraph.

30 (ii) The decision made by the Maryland Historical Trust Board of
31 Trustees on an appeal is final and is not subject to further administrative appeal or judicial
32 review.

33 (7) The proceeds of the loan must be expended or encumbered by the Board of
34 Public Works for the purposes provided in this Act no later than June 1, 2031. If any funds
35 authorized by this Act remain unexpended or unencumbered after June 1, 2031, the amount
36 of the unexpended or unencumbered authorization shall be canceled and be of no further
37 force and effect. If bonds have been issued for the loan, the amount of unexpended or
38 unencumbered bond proceeds shall be disposed of as provided in § 8–129 of the State

1 Finance and Procurement Article.

2 (8) Multiple grants provided to the same organization in this Section are in
3 addition to one another. Unless otherwise provided, any matching fund requirements apply
4 to each individual grant.

5 (9) (a) Subject to subparagraphs (b) ~~and (c)~~ through (e) of this paragraph, the
6 Board of Public Works may approve an appropriation in Section 1(3) Items ZA00 through
7 ZB02 of this Act, notwithstanding ~~technical~~ differences in:

8 (i) The name of the grantee or the description of the project, provided
9 that the proposed use of funds is consistent with the public purpose of the original
10 appropriation; or

11 (ii) The location of the project.

12 (b) ~~The~~ When the difference in the name of the grantee is nonsubstantive
13 and the identity of the grantee can be determined, and when the difference in the description
14 of the project is nonsubstantive and is consistent with the public purpose of the original
15 appropriation, the Department of General Services shall record the correct grantee
16 identification and project description in the grant agreement entered into by the grantee
17 with the State of Maryland and recorded with the Board of Public Works. In all other
18 instances of differences provided in subparagraph (a) of this paragraph, the Department of
19 Budget and Management shall notify the Office of Policy Analysis within the Department
20 of Legislative Services in writing of:

21 (i) The ~~technical~~ differences between an appropriation in Section
22 1(3) Items ZA00 through ZB02 of this Act and the proposed use of the funds; and

23 (ii) The justification that the proposed use of the funds is consistent
24 with the public purpose of the appropriation.

25 (c) (i) The Office of Policy Analysis shall have 45 days to review and
26 comment on the proposed use of the funds.

27 (ii) If the Office of Policy Analysis does not submit written objections
28 within 45 days, the Department of Budget and Management shall provide certification in
29 writing to the Board of Public Works that the proposed use of funds may be approved
30 notwithstanding ~~technical~~ differences in the appropriation in Section 1(3) Items ZA00
31 through ZB02 of this Act.

32 (d) It is the intent of the General Assembly that the provisions of this
33 paragraph:

1 (i) provide an administrative process authorizing the approval of
2 grants by the Board of Public Works, provided that the proposed use of funds is consistent
3 with the public purpose of the original appropriation; and

4 (ii) be applicable to this Act and all prior Maryland Consolidated
5 Capital Bond Loans.

6 (10) Notwithstanding § 8–122.1 of the State Finance and Procurement Article, the
7 principal amount of any loan authorized under this Act shall be reduced by the cash
8 proceeds, excluding any accrued interest, received for the State bonds and allocated by the
9 Comptroller to the loan.

10 (11) Notwithstanding §§ 8–125(e) and 8–132 of the State Finance and Procurement
11 Article, the State Treasurer shall determine the amount of premium from the sale of bonds
12 in fiscal year 2025 to be transferred to the Annuity Bond Fund. Upon each issuance of State
13 bonds in fiscal year 2025, the Treasurer shall notify the Comptroller of the Treasurer’s
14 determination and the Comptroller shall credit the premium accordingly. Premium from
15 the sale of bonds in fiscal year 2025 that is not transferred to the Annuity Bond Fund may,
16 upon approval of the Board of Public Works, be expended by the Comptroller for any of the
17 public purposes set forth in Section 1(3) of this Act, including any applicable architects’ and
18 engineers’ fees.
