21 (4) on request, to any federal agency.

22 (d) The Department shall make copies of the annual report available for general
23 distribution or sale.

24 [5–311.

25 (a) The Secretary or a staff member of the Department designated by the
26 Secretary shall have access to information that relates to capital facilities planning in the
27 possession of any unit of the State government.

28 (b) If the entry is made in a manner so as to cause no unnecessary injury, the
29 Secretary or a staff member of the Department designated by the Secretary may enter, at

1 any reasonable hour, on any State-owned land in order to make examinations and surveys
2 that relate to capital facilities planning.]

3 [5-407.

4 (a) In this section, "Commission" means the Maryland-National Capital Park
5 and Planning Commission.

6 (b) To provide regional planning in the area of the State subject to the jurisdiction
7 of the Commission, and except as otherwise provided in this section, the Department may
8 include in the annual budget of the Department the amount the Secretary considers
9 appropriate as the State's share of the cost of regional planning projects programmed by
10 the Commission for the following fiscal year.

11 (c) The amount included in the annual budget under subsection (b) of this section
12 may not exceed \$100,000 in any single year.

13 (d) The Secretary shall determine which regional planning projects programmed
14 by the Commission qualify for State assistance.

15 (e) (1) The Commission shall provide the Secretary with any information the
16 Secretary requires to determine which regional planning projects programmed by the
17 Commission qualify for State assistance.

18 (2) On or before August 1 of each year, the Commission shall provide the
19 Secretary with a copy of the proposed budget of the Commission for the following fiscal
20 year. After the copy of the proposed budget is provided to the Secretary, the Commission
21 shall promptly notify the Secretary and obtain the approval of the Secretary for any
22 changes in the proposed budget for regional projects funded under this section.

23 (f) The Secretary may require an annual audit of the operations of the
24 Commission that relate to any project financed wholly or partly by payments to the
25 Commission from the Department.]

26 [5-502.

27 (a) The Department shall establish statewide classification standards for
28 geographically referencing all basic planning information collected by any unit of the State
29 government.

30 (b) The classification standards may be used by any unit of the State or of a local
31 government.]

32 5-503.

1 (a) The Department shall be a repository [and clearinghouse] for information
2 about ~~STATE-OWNED~~ real property [available for public use].

3 (b) The Department shall correlate information concerning real property owned
4 by the State [or any political subdivision of the State].

5 (c) (1) The Department shall maintain a current, updated list of real property
6 owned by the State [or any political subdivision of the State].

7 (2) The list shall include pertinent details concerning size, facilities, and
8 value.

9 (3) A copy of the list and any related information shall be provided to any
10 State agency and the General Assembly upon request.

11 5-7A-02.

12 (a) (1) Except as provided in paragraph (2) of this subsection, with respect to
13 a State public works, transportation, or major capital improvement project funded through
14 State or federal funds, the State may not provide State funding for the project if the project
15 is not consistent with:

16 (i) the State Economic Growth, Resource Protection, and Planning
17 Policy established in § 5-7A-01 of this subtitle; or

18 (ii) the local plan of the jurisdiction in which the project is located.

19 (2) The State may provide State funding for a State public works,
20 transportation, or major capital improvement project funded through State or federal funds
21 which is not consistent with the policy or plan under paragraph (1) of this subsection if the
22 State determines that extraordinary circumstances exist that warrant proceeding with the
23 project and that no reasonably feasible alternative exists.

24 (b) (1) Except as provided in paragraph (2) of this subsection with respect to a
25 local construction project involving the use of State funds, grants, loans, loan guaranties,
26 or insurance, a local jurisdiction may not approve or construct the project unless the project
27 is consistent with the local plan.

28 (2) A local jurisdiction may approve and construct a local construction
29 project which is inconsistent with the local plan under paragraph (1) of this subsection if
30 the local jurisdiction determines that extraordinary circumstances exist that warrant
31 proceeding with the project and that no reasonably feasible alternative exists.

32 (c) By December 1, 1992 the Governor shall establish procedures for review of
33 State projects under subsection (a) of this section, and each local jurisdiction shall establish
34 procedures for the review of local projects under subsection (b) of this section, to:

1 (1) ensure that the projects are consistent with their respective policy and
2 plans; and

3 (2) evaluate extraordinary circumstances under subsections (a)(2) and
4 (b)(2) of this section, respectively.

5 [(d) Each local jurisdiction shall report on or before February 1 of each year to the
6 State Economic Growth, Resource Protection, and Planning Commission on the number
7 and type of projects approved under subsection (b)(2) of this section during the preceding
8 calendar year, including a description of the extraordinary circumstances existing and the
9 alternatives considered, together with any additional information required by the
10 Commission.]

11 SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect
12 October 1, 2025.

Approved:

Governor.

Speaker of the House of Delegates.

President of the Senate.
