19 setting forth the procedures established in accordance with this paragraph.

20 **[(9)] (10)** (i) 1. If a contractor, including a certified minority

22 participation goals on a contract, the unit shall make a finding of whether the contractor
23 has demonstrated that the contractor took all necessary and reasonable steps to achieve
24 the goals, including compliance with paragraph (7) of this subsection.

25 2. A waiver of any part of the minority business enterprise

31 (iii) The head of the unit may waive any of the requirements of this
32 subsection relating to the establishment, use, and waiver of contract goals for a sole source,
33 expedited, or emergency procurement in which the public interest cannot reasonably
34 accommodate use of those requirements.

2 subparagraph (iii) of this paragraph, when a waiver determination is made, the unit shall
3 issue the determination in writing.

4 2. The head of the unit shall:

30 become unavailable or ineligible to perform the work required under the contract, the
31 bidder or offeror may submit a written request with the unit to amend the minority
32 business enterprise participation schedule.

33 2. The request to amend the minority business enterprise
34 participation schedule shall indicate the bidder's or offeror's efforts to substitute another

1 certified minority business enterprise to perform the work that the unavailable or ineligible
2 minority business enterprise would have performed.

3 (iii) A minority business enterprise participation schedule may not
4 be amended unless:

5 1. the bidder or offeror provides a satisfactory explanation of

30 nonperformance by the minority business enterprise or election by the certified minority
31 business enterprise to cease work on the contract.

32 B. Failure of a certified minority business enterprise to
33 provide a bond requested by a contractor in violation of § 13-227 of this article may not be
34 considered nonperformance by the minority business enterprise.

1 2. A contractor may not terminate or otherwise cancel the
2 contract of a certified minority business enterprise subcontractor listed in the minority
3 business enterprise participation schedule without showing good cause and obtaining the
4 prior written consent of the minority business enterprise liaison and approval of the head
5 of the unit.

6 3. The unit shall send a copy of the written consent obtained
7 under subparagraph 2 of this subparagraph to the Governor's Office of Small, Minority,

17 Minority Business Enterprise Program because one or more of its owners has a personal
18 net worth that exceeds the amount specified in § 14-301(k)(3) of this subtitle:

19 (i) that ineligibility alone may not cause the termination of the
20 certified minority business enterprise's contractual relationship for the remainder of the
21 term of the contract; and

22 (ii) the certified minority business enterprise's participation under
23 the contract shall continue to be counted toward the program and contract goals.

24 [(13)] **(14)** (i) Except as provided in subparagraph (ii) of this paragraph,
25 a nonprofit entity participating as a minority business enterprise on a procurement
26 contract awarded by a unit before July 1, 2015, may continue to participate in the contract
27 until the contract expires or otherwise terminates, including all options, renewals, and
28 other extensions.

29 (ii) 1. The nonprofit entity's participation may not be counted
30 toward achieving the minority business enterprise participation goals in this subsection.

31 2. The unit may not require that a certified minority
32 business enterprise be substituted for the nonprofit entity in order to meet the minority
33 business enterprise goals for the procurement contract.

9 representative, or any other person that arranges or expedites transactions.

10 (ii) A unit may apply only 60% of the costs of the materials and
11 supplies provided by the certified minority business enterprise if the certified minority
12 business enterprise is a regular dealer for purposes of achieving the minority business
13 enterprise contract goal.

14 [(15)] (16) With respect to materials or supplies purchased from a certified
15 minority business enterprise that is neither a manufacturer nor a regular dealer:

16 (i) a unit may apply the entire amount of fees or commissions
17 charged for assistance in the procurement of the materials and supplies, fees, or
18 transportation charges for the delivery of materials and supplies required on a procurement
19 toward minority business enterprise contract goals, provided a unit determines the fees to
20 be reasonable and not excessive as compared with fees customarily allowed for similar
21 services; and
