HOUSE JOINT RESOLUTION

1 A House Joint Resolution concerning

$\mathbf{2}$

Use of Nuclear Weapons

- FOR the purpose of stating that the General Assembly joins certain other state legislative
 bodies, counties, and municipalities in passing a Back from the Brink resolution on
 reducing the possibility of the use of nuclear weapons; urging members of the State's
 Congressional Delegation to cosponsor a certain federal resolution related to the use
 of nuclear weapons; and urging the U.S. President and the U.S. Senate to endorse
 the Treaty on the Prohibition of Nuclear Weapons.
- 9 WHEREAS, Nuclear weapons are the most destructive weapons ever created by 10 mankind; and
- WHEREAS, 90% of nuclear weapons are controlled by the U.S. and Russia, with the
 rest being controlled by seven other countries: China, France, Israel, India, North Korea,
 Pakistan, and the United Kingdom; and
- WHEREAS, The use of even a small fraction of nuclear weapons, such as 100 Hiroshima-sized bombs, which are small bombs by modern standards, could put at least 5.5 million tons of soot into the atmosphere and cause climate disruption across the planet, cutting food production and putting 250 million people at risk of starvation; and
- WHEREAS, A large-scale nuclear war would kill hundreds of millions of people directly, risk starvation for 5 billion people worldwide including in the U.S., and cause unimaginable environmental damage and catastrophic climate disruption by dropping temperatures across the planet to levels not seen since the Ice Age, causing the vast majority of the human race to starve and possibly cause humans to become extinct as a species; and

HOUSE JOINT RESOLUTION 6

1 WHEREAS, The U.S. and Russia rely on the assurances of deterrence, that nuclear 2 arsenals are never used, and yet there have been many close calls due to human or 3 mechanical error; and

WHEREAS, The U.S. President has the authority to unilaterally initiate the use of nuclear weapons, and during times of crisis, individuals lower in the chain of command might mistakenly do so; and

WHEREAS, The U.S. maintains nuclear missiles on hair-trigger alert, making them
capable of being launched within minutes and greatly increasing the risk of an unintended
or unauthorized launch, especially in current times when tensions are mounting between
nuclear powers and the U.S. maintains the right to initiate a nuclear launch; and

11 WHEREAS, The ongoing expenditure of \$1.7 trillion over 30 years to enhance the 12 U.S. nuclear arsenal is fueling a global arms race; and

WHEREAS, Despite the incredible expenditure on nuclear weapons, one in six
 military families are food insecure; and

WHEREAS, Marylanders paid an estimated \$2.1 billion in taxes in fiscal year 2024
 for the nuclear weapons complex; and

WHEREAS, Living in the shadow of Washington, D.C., Marylanders are especially at risk if there is nuclear war, making it appropriate that the General Assembly of Maryland urge the federal government to do everything possible to reduce the risk of nuclear war starting by error or by intent; and

WHEREAS, Two major conflicts in 2024 involving nations that possess nuclear weapons make multilateral negotiations between nuclear nations more important now than ever; and

WHEREAS, In July 2017, the United Nations adopted the Treaty on the Prohibition of Nuclear Weapons which makes it illegal for ratifying nations to develop, test, produce, manufacture or otherwise acquire, possess or stockpile, transfer, use, or threaten the use of nuclear weapons; and

WHEREAS, As of September 24, 2024, 73 nations have ratified or acceded to the Treaty on the Prohibition of Nuclear Weapons; and

30 WHEREAS, House Resolution 77 introduced in the U.S. House of Representatives 31in the 118th Congress embraced the goals and provisions of the Treaty on the Prohibition 32of Nuclear Weapons, as well as the five policies of Back from the Brink to: (1) actively 33 pursue a multilateral verifiable agreement among nuclear armed states to eliminate their 34 nuclear arsenals; (2) renounce the option of using nuclear weapons first; (3) end the 35 President's sole authority to launch a nuclear attack; (4) take nuclear weapons off 36 hair-trigger alert; and (5) cancel current plans to replace or modernize its nuclear arsenal; 37now, therefore, be it
