16 easement on the leasehold interest.

17 (c) The easement must be in form, substance, and duration acceptable to

24 review.

25 (7) The proceeds of the loan must be expended or encumbered by the Board of
26 Public Works for the purposes provided in this Act no later than June 1, 2032. If any funds
27 authorized by this Act remain unexpended or unencumbered after June 1, 2032, the amount
28 of the unexpended or unencumbered authorization shall be canceled and be of no further
29 force and effect. If bonds have been issued for the loan, the amount of unexpended or
30 unencumbered bond proceeds shall be disposed of as provided in § 8–129 of the State
31 Finance and Procurement Article.

32 (8) Multiple grants provided to the same organization in this Section are in
33 addition to one another. Unless otherwise provided, any matching fund requirements apply

7 (b) When the difference in the name of the grantee is nonsubstantive and
8 the identity of the grantee can be determined, and when the difference in the description of
9 the project is nonsubstantive and is consistent with the public purpose of the original
10 appropriation, the Department of General Services shall record the correct grantee
11 identification and project description in the grant agreement entered into by the grantee
12 with the State of Maryland and recorded with the Board of Public Works. In all other
13 instances of differences provided in subparagraph (a) of this paragraph, the Department of
14 Budget and Management shall notify the Office of Policy Analysis within the Department
15 of Legislative Services in writing of:

16 (i) The differences between an appropriation in Section 1(3) Items
17 ZA00 through ZB02 of this Act and the proposed use of the funds; and

18 (ii) The justification that the proposed use of the funds is consistent
19 with the public purpose of the appropriation.

20 (c) (i) The Office of Policy Analysis shall have 45 days to review and
21 comment on the proposed use of the funds.

22 (ii) If the Office of Policy Analysis does not submit written objections
23 within 45 days, the Department of Budget and Management shall provide certification in
24 writing to the Board of Public Works that the proposed use of funds may be approved
25 notwithstanding differences in the appropriation in Section 1(3) Items ZA00 through ZB02
26 of this Act.

27 (d) It is the intent of the General Assembly that the provisions of this
28 paragraph:

29 (i) Provide an administrative process authorizing the approval of
30 grants by the Board of Public Works, provided that the proposed use of funds is consistent
31 with the public purpose of the original appropriation; and

32 (ii) Be applicable to this Act and all prior Maryland Consolidated
33 Capital Bond Loans.

34 (10) Notwithstanding § 8–122.1 of the State Finance and Procurement Article, the
35 principal amount of any loan authorized under this Act shall be reduced by the cash
36 proceeds, excluding any accrued interest, received for the State bonds and allocated by the

1 Comptroller to the loan.

2 (11) Notwithstanding §§ 8–125(e) and 8–132 of the State Finance and Procurement
3 Article, the State Treasurer shall determine the amount of premium from the sale of bonds
4 in fiscal years 2024 and 2025 to be transferred to the Annuity Bond Fund. Upon each
5 issuance of State bonds in fiscal years 2024 and 2025, the Treasurer shall notify the
6 Comptroller of the Treasurer’s determination and the Comptroller shall credit the premium
7 accordingly. Premium from the sale of bonds in fiscal years 2024 and 2025 that is not
8 transferred to the Annuity Bond Fund may, upon approval of the Board of Public Works, be
9 expended by the Comptroller for any of the public purposes set forth in Section 1(3) of this
