- C. If the local designee determines that a person did not receive notice of a warning notice or citation issued under this section due to an administrative error, the local designee may resend the warning notice or citation in accordance with subsection (e) of this section or void the warning notice or citation.
 - D. A local designee that takes any action described under subsubsubparagraph C of this subsubparagraph shall notify the Administration of the action for the purpose of rescinding any administrative penalties imposed under subsection (h) of this section.
- 9 E. A local designee may not determine that a warning notice or citation is an erroneous violation based solely on the dismissal of the warning notice or citation by a court.
- F. A local designee may waive a warning notice or citation if the person alleged to be liable under this section provides sufficient evidence that the person has made any alterations to the motor vehicle necessary to avoid future violations.
- 3. A local designee may not be employed by a noise abatement monitoring system contractor or have been involved in any review of a noise abatement monitoring system warning notice or citation, other than review of a warning notice or citation under this subparagraph.
- 19 4. On receipt of a written question or concern from a person, 20 the local designee shall provide a written answer or response to the person within a 21 reasonable time.
- 5. A local jurisdiction shall make any written questions or concerns received under this subparagraph and any subsequent written answers or responses available for public inspection.
- (v) If a county moves or places a noise abatement monitoring system to or at a location where a noise abatement monitoring system had not previously been moved or placed, the county may not issue a citation for a violation recorded by that noise abatement monitoring system:
- 29 1. Until signage is installed in accordance with 30 subparagraph (iii) 2 of this paragraph; and
- 31 2. For at least the first 15 calendar days after the signage is 32 installed.
- 33 (2) (i) A noise abatement monitoring system operator shall complete 34 training by the manufacturer of the noise abatement monitoring system in the procedures 35 for setting up and operating the noise abatement monitoring system.

- 1 The manufacturer shall issue a signed certificate to the noise 2 abatement monitoring system operator on completion of the training. 3 (iii) The certificate of training shall be admitted as evidence in any court proceeding for a violation. 4 5 A noise abatement monitoring system operator shall fill out and sign a 6 daily set—up log for a noise abatement monitoring system that: 7 States that the noise abatement monitoring system operator 8 successfully performed or reviewed and evaluated the manufacturer-specified daily 9 self-test of the noise abatement monitoring system before producing a recorded image; 10 States the date and time when, and the location where, the noise (ii) 11 abatement monitoring system was set up each day; 12 (iii) Shall be kept on file; and 13 Shall be admitted as evidence in any court proceeding for a (iv) violation. 14 15 **(4)** A noise abatement monitoring system shall undergo an annual calibration check performed by an independent calibration laboratory that is: 16 1. Selected by the county; and 17 18 2. Unaffiliated with the manufacturer of the noise abatement monitoring system. 19 20 (ii) The independent calibration laboratory shall issue a signed 21certificate of calibration after the annual calibration check that shall be: 22 1. Kept on file; and 23 2. Admitted as evidence in any court proceeding for a violation. 2425A county that establishes a noise abatement monitoring system 26 program shall bear the cost of implementing the program. 27 (d) Unless the driver of the motor vehicle received a citation from a police 28officer at the time of the violation, the owner of a motor vehicle is subject to a civil penalty
- 31 (2) (i) A person liable for a violation enforced by a noise abatement 32 monitoring system is subject to:

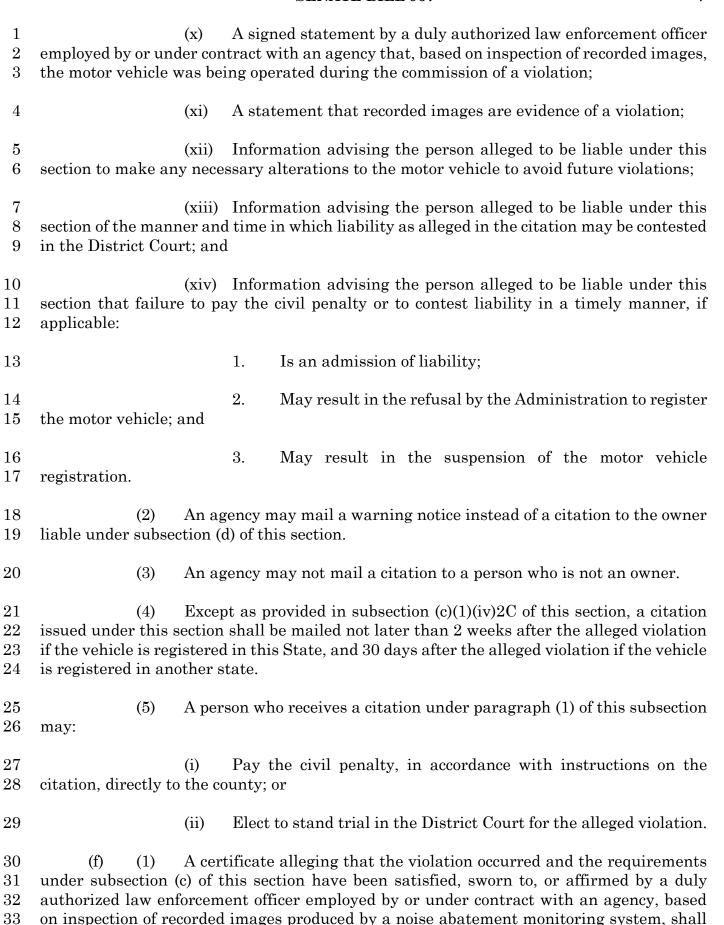

operated during the commission of a violation.

if the motor vehicle is recorded by a noise abatement monitoring system while being

- be evidence of the facts contained in the certificate and shall be admissible in a proceeding
 alleging a violation without the presence or testimony of the noise abatement monitoring
 system operator who performed the requirements under subsection (c) of this section.
- 4 (2) If a person who received a citation under subsection (e) of this section 5 desires the noise abatement monitoring system operator to be present and testify at trial, 6 the person shall notify the court and the agency in writing not later than 20 days before 7 trial.
- 8 (3) Adjudication of liability shall be based on a preponderance of evidence.
- 9 (g) (1) The District Court may consider in defense of a violation:
- 10 (i) Subject to paragraph (2) of this subsection, that the motor vehicle 11 or the registration plates of the motor vehicle were stolen before the violation occurred and 12 were not under the control or possession of the owner at the time of the violation;
- 13 (ii) That the noise abatement monitoring system was 14 malfunctioning at the time of the violation; or
- 15 (iii) Any other issues and evidence that the District Court deems 16 pertinent.
- 17 (2) To demonstrate that the motor vehicle or the registration plates were 18 stolen before the violation occurred and were not under the control or possession of the 19 owner at the time of the violation, the owner shall submit proof that a police report 20 regarding the stolen motor vehicle or registration plates was filed in a timely manner.
- 21 (h) If a person liable under this section does not pay the civil penalty or contest 22 the violation, the Administration may refuse to register or reregister the motor vehicle cited 23 for the violation.
- 24 (i) A violation for which a civil penalty is imposed under this section:
- 25 (1) Is not a moving violation for the purpose of assessing points under § 26 16–402 of this article;
- 27 (2) May not be recorded by the Administration on the driving record of the 28 owner of the vehicle;
- 29 (3) May be treated as a parking violation for the purposes of \S 26–305 of 30 this article; and
- 31 (4) May not be considered in the provision of motor vehicle insurance 32 coverage.

- 1 (j) In consultation with the appropriate county agencies, the Chief Judge of the 2 District Court shall adopt procedures for the issuance of citations, the trial of civil violations, and the collection of civil penalties under this section.
 - (k) (1) An agency or an agent or contractor designated by the agency shall administer and process civil citations issued under this section in coordination with the District Court.
 - (2) If a contractor in any manner operates a noise abatement monitoring system or administers or processes warning notices or citations generated by a noise abatement monitoring system on behalf of a county, the contractor's fee may not be contingent on a per-ticket basis on the number of warning notices or citations issued or paid.
- SECTION 2. AND BE IT FURTHER ENACTED, That, on or before March 1, 2026, Howard County shall report to the Governor and, in accordance with § 2–1257 of the State Government Article, the General Assembly on:
- 15 (1) through January 1, 2026:

4

5 6

7

8

9

10 11

- 16 (i) the time period during which noise abatement monitoring systems authorized under this Act were in use in the county; and
- 18 (ii) the number of warnings and citations issued as a result of 19 violations recorded by noise abatement monitoring systems in the county over the reported 20 time period, by location and date;
- 21 (2) (i) the costs associated with implementing and operating noise 22 abatement monitoring systems; and
- 23 (ii) the revenue collected on a monthly basis as a result of violations 24 recorded by noise abatement monitoring systems;
- 25 (3) appropriate locations for the deployment of noise abatement monitoring 26 systems;
- 27 (4) the performance and reliability of noise abatement monitoring systems 28 used by the county; and
- 29 (5) the effectiveness of noise abatement monitoring systems in reducing 30 noise produced by motor vehicles in the county and in areas where the systems were 31 implemented and used.
- SECTION 3. AND BE IT FURTHER ENACTED, That this Act shall take effect July 1, 2025. It shall remain effective until the taking effect of the termination provisions specified in Section 3 of Chapters 624 and 625 of the Acts of the General Assembly of 2024. If those termination provisions take effect, this Act, with no further action required by the

- 1 General Assembly, shall be abrogated and of no further force and effect. If those
- 2 termination provisions are amended, this Act shall terminate on the amended termination
- date. This Act may not be interpreted to have any effect on those termination provisions.
