The purpose of the grant fund is for a new playground for Fullerton Elementary. The playground is almost 30 years old. The playground is often broken as parts are old and parts are not even available for the playground. This is an essential component for the school and community as a playground provides a safe and healthy environment for students to participate in active play and interact with their peers. Playgrounds are great for social emotional learning, improving attention, decreasing stress and anxiety, and promotes brain growth. Kids need physical activity to be healthy, strong and smart.
