## **10. Description and Purpose of Organization** (Limit length to visible area)

GIMZ INC is a nonprofit organization committed to equipping youth and the community with hands-on skills in clothing design, embroidery, and manufacturing. Our mission is to foster creativity, entrepreneurship, and workforce development by providing access to industry-standard tools and training. We are seeking grant funding to purchase two state-of-the-art embroidery machines, which will expand our capacity to offer practical education in apparel production. These machines will allow participants to gain valuable technical skills, launch their own brands, and explore career pathways in fashion and manufacturing. With this investment, GIMZ INC will continue to create economic opportunities, inspire innovation, and strengthen local businesses while empowering individuals with the tools for long-term success.

| 11. Description and Purpose of | <b>Project</b> (Limit length to visible area) |
|--------------------------------|---|
|--------------------------------|---|

On behalf of GIMZ INC, I am requesting your support for a legislative bond to help us purchase two state-of-the-art embroidery machines. Our organization is dedicated to empowering youth and the community through hands-on education in clothing design and manufacturing. With this investment, we will expand our training programs, equipping participants with valuable skills in apparel production, entrepreneurship, and workforce development. This initiative not only fosters economic opportunities but also strengthens local businesses and creative industries. We appreciate your consideration and look forward to discussing how we can collaborate to make a lasting impact.

Round all amounts to the nearest \$1,000. The totals in Items 12 (Estimated Capital Costs) and 13 (Proposed Funding Sources) must match. The proposed funding sources must not include the value of real property unless an equivalent value is shown under Estimated Capital Costs.

| GIMZ INC is proud to collaborate with Shooters Sports, a respected clothing apparel company that has served the DMV area for 28 years. With their industry expertise and commitment to quality, we are confident that The Design Lab Incubator Project will be a resounding success.   |  |  |  |  |  |
| This initiative will provide youth and the community with hands-on training in clothing design, embroidery, and manufacturing, equipping them with valuable skills for entrepreneurship and career development. With Shooters Sports' support, we will bridge the gap between education and real-world experience, ensuring long-term sustainability and impact. |  |  |  |  |  |
