Current Space GSF	19,500		
Space to be Renovated GSF	10		
New GSF			

27. Year of Construction of Any Structures Proposed for Renovation, Restoration or Conversion	
------------------------------------------------------------------------------------------------------	--

28. Comments

This initiative would greatly help us off set expenses we acquired this year, by funding a paid staff for our station while the County acquired enough people to staff our station. We had to pay our staff, consisting of a medic, driver and an engineer out of our funds. We had to put off some of our major repairs in order to maintain the funds to keep our station staffed.
