<b>10. Description and Purpose of Organization</b> (Limit length to visible area)		
<p>Restoring Individuals for Success through Empowerment (RISE) Baltimores goal is to uplift the citys citizens by offering a comprehensive network of social programs and services that meet both immediate needs and long-term goals. Throughout our 20-year history, our community organization has partnered with local for- and non-profit organizations to initiate over 100 outreach and community-driven programs serving over 500 Baltimorean families annually. Backed by a legislative bond, we can continue revitalizing the communitys legacy by creating a haven for learning and appreciating differences via before and after school programs for local youth, job readiness programs, job placement services, food bank access, and music and theatrical classes taught by local musicians/thespians.</p>

RISE Baltimore is committed to the longer-term social and economic sustainability of our community. For the past three years, we headquartered our community-driven programs within the historic Westway Theater. The events garnered growing enthusiasm amongst residents and provided opportunities for RISE to meet our community's more salient needs, like before and after school programs. Yet, the theater lacks necessary space to host our ongoing and prospective enterprises. Our proposed capital project is to acquire the dilapidated 1,200 sq. ft. storefront adjacent to the Westway Theater at 5302 Edmondson Ave and revitalize it into a thriving community center. Our designs include offices, classrooms, meeting space, and a multipurpose area that will be available to the community and provide ample space for RISE to expand into weekday services for residents. We estimate the development would allow us to serve an additional 35 families weekly and create at minimum
