Property Tax Credit - Disabled or Fallen Law Enforcement Officer or Rescue Worker - Alterations

This bill makes changes to the local option property tax credit for disabled or fallen law enforcement officers or rescue workers. Local governments, however, are authorized to limit eligibility for the property tax credit to the existing criteria established under current law. The bill also allows, under specified circumstances, the amount of the credit for a newly purchased dwelling owned by a disabled or fallen law enforcement officer or rescue worker or the surviving spouse or cohabitant to be in the same proportion as the property tax credit initially granted for the dwelling. The bill also removes the requirement that the dwelling must have been acquired within a certain number of years. **The bill takes effect June 1, 2025, and applies to taxable years beginning after June 30, 2025.**

Analysis

Current Law: Local governments are authorized to grant a property tax credit for a dwelling owned by (1) a disabled law enforcement officer or rescue worker; (2) a surviving spouse of a fallen law enforcement officer or rescue worker; or (3) a cohabitant, provided specified conditions are met. To be eligible for the property tax credit, the dwelling must have been acquired by the disabled law enforcement officer or rescue worker within 10 years of the date the disabled law enforcement officer or rescue worker was adjudged to be permanently and totally disabled or by the surviving spouse or cohabitant within 10 years of the fallen law enforcement officer's or rescue worker's death.

Chapters 533 and 534 of 2023 require a local government to determine the definition of a disabled law enforcement officer or rescue worker for purposes of receiving a local property tax credit. In addition, Chapters 533 and 534 expand eligibility for the property tax credit to include a disabled law enforcement officer or rescue worker or surviving spouse or cohabitant who was domiciled in the State at any time within five years prior to the disabled law enforcement officer or rescue worker becoming disabled or dying.

Local Fiscal Effect: Local property tax revenues may decrease beginning in fiscal 2026 to the extent that local jurisdictions grant the property tax credit, the changes to existing eligibility requirements result in additional individuals becoming eligible for the property tax credit, and local jurisdictions increase the maximum amount of the property tax credit. The amount of the decrease depends on the number of eligible taxpayers and the assessed value of each residential property that is eligible for the property tax credit, neither of which can be reliably estimated at this time.
