Senate Bill 910
Finance

(Caroline County Senators)

Economic Matters

**Caroline County - Alcoholic Beverages - Special Event Venue License and
Multiple Event Licenses**

This bill establishes a special event venue beer, wine, and liquor license in Caroline County and authorizes the Caroline County Board of License Commissioners to issue the license to owners of special event venues. The license holder is authorized to sell beer, wine, and liquor for on-premises consumption. The license holder may sell beer, wine, and liquor from 9:00 a.m. to 11:00 p.m. on the day of a special event. The license fee is (1) \$250 for up to 10 events per year; (2) \$500 for up to 20 events per year; (3) \$750 for up to 30 events per year; and (4) \$1,000 for up to 40 events per year. A license holder must purchase all alcoholic beverages from a licensed wholesaler, and the license may not be transferred to another location. The bill also repeals current law provisions that authorize volunteer fire companies to store alcoholic beverages on licensed premises between individual licensed events and replaces with a broader provision that extends this authorization to all holders of multiple event licenses, as specified. **The bill takes effect July 1, 2025.**

Fiscal Summary

State Effect: None.

Local Effect: Caroline County revenues increase, beginning in FY 2026, to the extent that special event venue beer, wine, and liquor licenses are issued under the bill. Caroline County can handle any additional enforcement activity with existing resources.

Small Business Effect: Minimal.

Analysis

Current Law: Caroline County offers various temporary licenses including a tasting license, per diem licenses, and multiple event licenses. A multiple event license generally may only be issued for one premises to a single applicant for all events for which the license is issued. The number of days for which a multiple event license may be used by a single applicant may not exceed 40 per calendar year. The license fee is (1) \$250 for up to 10 events per year; (2) \$500 for up to 20 events per year; (3) \$750 for up to 30 events per year; and (4) \$1,000 for up to 40 events per year. The board may not issue a refund if the license holder holds fewer events during the calendar year than they are entitled to hold under their license, and a server who has completed an alcohol awareness program must be on the premises for which a multiple event license is issued when alcoholic beverages are served.

Volunteer fire companies can store alcoholic beverages to be sold at licensed events if the beverages are stored in a specially identified locked and secured location and are not sold or consumed except during licensed event hours. The fire companies must keep complete and accurate records of all alcoholic beverages purchased and sold on the licensed premises, as specified. License holders that violate this section are subject to a fine of \$100 for the first offense and for subsequent offenses, a fine up to \$500 and denial of future requests for a license for events.
