House Bill 1252  
Ways and Means

(Delegate A. Johnson, *et al.*)

---

**County Boards of Education - Appointed Members in Leadership Positions -  
Prohibition**

---

This bill prohibits an appointed member to a local board of education from serving in a leadership position on the board. An appointed board member serving in a leadership position on July 1, 2025, must vacate the leadership position by August 1, 2025. A leadership position is defined as a president, vice president, chair, or vice chair. An appointed member does not include a member serving on the local board who is appointed to fill a vacancy for an elected position on the board.

Failure to comply with the bill's provisions can result in a reduction in State funding to the local board. The Maryland State Department of Education (MSDE) is authorized to refer a local board's noncompliance to the Attorney General for enforcement. MSDE may also impose a civil penalty of up to \$2,500 on an appointed board member who knowingly and willfully continues to serve in a leadership position in violation of the bill's provisions. **The bill takes effect July 1, 2025.**

## Appendix – Local Boards of Education Membership

---

The composition of the local boards of education varies with members serving three- to four-year terms. Twenty counties have elected school boards and four counties have combined appointed and elected school boards. Twenty-two boards have student members; however, only 8 boards allow student members to vote, which generally excludes authority to vote on matters relating to collective bargaining and personnel. Three counties with voting student members also preclude student members from voting on matters relating to operating and capital budgets. **Exhibit 1** shows the selection methods, terms of office, and membership of the 24 local school boards.
