**Analysis**

**Bill Summary:** Under the bill, no more than two members of the board may be residents of the same State legislative district. Each member of the board must be selected from a list of individuals recommended by members of the Anne Arundel County House or Senate Delegation, and no more than *three* members of the board may belong to the same political party. The board must also adopt and publish a written policy related to conflicts of interest and the recusal of board members from certain matters.

The board must include an option for a license or renewal applicant to provide the applicant's race and ethnicity information on all application forms; however, the board may not use any race or ethnicity information included on an application as a factor in determining whether to issue or renew the license. By January 15, the board must annually report to the General Assembly on the racial breakdown of disciplinary actions taken by the board in the previous year.

**Current Law:** Maryland's 23 counties, Baltimore City, and the City of Annapolis all have boards of license commissioners who issue and enforce retail alcoholic beverages licenses in their jurisdictions.

The Anne Arundel County Board of License Commissioners has three members, appointed by the Governor. If the Senate is in session, they are appointed with the advice and consent of the Senate as well. Each member of the board must be (1) a resident and voter of the county and (2) an individual of high character, integrity, and recognized business capacity. No more than two members of the board may be of the same political party.

**Local Expenditures:** The board advises that Anne Arundel County salary expenditures will increase by \$30,000 annually beginning in fiscal 2026. Additionally, a one-time expenditure of \$5,000 will be required to provide laptops and supplies to the two new board members.
