Analysis

Current Law: Chapter 492 of 2020, a constitutional amendment approved by the voters at the November 2020 general election, authorized sports and event wagering, contingent upon implementation legislation passed by the General Assembly. Chapter 356 of 2021 implemented sports wagering in the State and provides for regulation of sports wagering and fantasy gaming competitions. Licensees receive 85% of proceeds from sports wagering and fantasy gaming and the State receives 15%, as well as license fee revenues. Any

winnings on a sports event not claimed within 182 days after the wager is won revert to the Problem Gambling Fund.

Sports wagering licenses are awarded by the Sports Wagering Application Review Commission (SWARC). Specified Class A (casinos, professional sports stadiums, and horse racing licensees) and Class B (specified horse racing tracks, off-track facilities, and specified bingo halls) sports wagering facility licensees designated under the law are eligible to receive licenses under a noncompetitive process. SWARC may also conduct a competitive process to award an additional 30 Class B-1 or B-2 facility licenses and 60 mobile sports wagering licenses. SWARC may not award a Class B sports wagering facility license to an applicant who is eligible for or holds a Class A sports wagering facility license.

Generally, SWARC may not award a Class B-1 or B-2 sports wagering facility license to an applicant whose sports wagering facility will be located:

- within a 15-mile radius of a Class A-1 or A-2 sports wagering facility located in Allegany, Cecil, or Worcester counties;
- with respect to an application for a sports wagering facility license submitted before June 1, 2025, within a 15-mile radius of specified Class B-1 or B-2 sports wagering facilities in Charles County;
- with respect to an application for a sports wagering facility license submitted before June 1, 2025, within a 10-mile radius of specified Class B-1 or B-2 sports wagering facilities in Carroll County;
- with respect to an application for a sports wagering facility license submitted before June 1, 2025, within a 5-mile radius of specified Class B-1 or B-2 sports wagering facilities in Frederick County;
- within a 1.5-mile radius of a Class A-1 or A-2 sports wagering facility located in counties other than Allegany, Cecil, or Worcester counties; or
- within a 1.5-mile radius of any other Class B-1 or B-2 sports wagering facility.

Chapter 638 of 2023 authorized SLGCC and SWARC to consider a request to amend a Class B-2 sports wagering facility license application for the purpose of altering the proposed location of the facility if a sports wagering facility license was awarded to the applicant by February 15, 2023, and a written request to amend the application was received by December 31, 2023.
