When passed by both Houses, the Budget Bill shall be a law immediately without further action by the Governor.

(7) The Governor and such representatives of the executive departments, boards, officers and commissions of the State expending or applying for State's moneys, as have been designated by the Governor for this purpose, shall have the right, and when requested by either House of the General Assembly, it shall be their duty to appear and be heard with respect to any Budget Bill during the consideration thereof, and to answer inquiries relative thereto.

Either House may consider other appropriations but both Houses shall not finally act upon such appropriations until after the Budget Bill has been finally acted upon by both Houses, and no such other appropriation shall be valid except in accordance with the provisions following: (a) Every such appropriation shall be embodied in a separate bill limited to some single work, object or purpose therein stated and called herein a Supplementary Appropriation Bill; (b) Each Supplementary Appropriation Bill shall provide the revenue necessary to pay the appropriation thereby made by a tax, direct or indirect, to be levied and collected as shall be directed in said bill; (c) No Supplementary Appropriation Bill shall become a law unless it be passed in each House by a vote of a majority of the whole number of the members

elected, and the yeas and nays recorded on its final passage; (d) Each Supplementary Appropriation Bill shall be presented to the Governor of the State as provided in Section 17 of Article 2 of the Constitution and thereafter all the provisions of said section shall apply.

(9) Nothing in this section shall be construed as preventing the General Assembly from passing at any time, in accordance with the provisions of Section 28 of Article 3 of the Constitution and subject to the Governor's power of approval as provided in Section 17 of Article 2 of the Constitution, an appropriation bill to provide for the payment of any obligation of the State within the protection of Section 10 of Article 1 of the Constitution of the United States.

(10) If the Budget Bill shall not have been finally acted upon by the Legislature seven days before the expiration of the regular session, the Governor shall issue a proclamation extending the session for some further period as may, in the Governor's judgment, be necessary for the passage of such bill; but no matter other than such bill shall be considered during such extended session except a provision for the cost thereof.

(11) For the purpose of making up the Budget, the Governor shall require from the proper State officials (including all executive departments, all executive and administrative offices, bureaus, boards, commissions and agencies that expend or supervise the expenditure of, and all institutions applying, for State moneys and appropriations) such itemized estimates and other information, in such form and at such times as directed by the Governor. An estimate for a program required to be funded by a law which will be in effect during the fiscal year covered by the Budget and which was enacted before July 1 of the fiscal year prior to that date shall provide a level of funding not less than that prescribed in the law. The estimates for the Legislative Department, certified by the presiding officer of each House, of the Judiciary, as provided by law, certified by the Chief Justice of the Supreme Court of Maryland, and for the public schools, as provided by law, shall be transmitted to the Governor, in such form and at such times as directed by the Governor, and shall be included in the Budget without revision.

(12) The Governor may provide for public hearings on all estimates and may require the attendance at such hearings of representatives of all agencies, and for all institutions applying for State moneys. After such public hearings the Governor may, in the Governor's discretion, revise all estimates except those for the legislative and judiciary departments, and for the public schools, as provided by law, and except that the Governor may not reduce an estimate for a program below a level of funding prescribed by a law which will be in effect during the fiscal year covered by the Budget, and which was enacted before July 1 of the fiscal year prior thereto.

(13) The General Assembly may, from time to time, enact such laws not inconsistent with this section, as may be necessary and proper to carry out its provisions.

(14) In the event of any inconsistency between any of the provisions of this Section and any of the other provisions of the Constitution, the provisions of this Section shall

prevail. But nothing herein shall in any manner affect the provisions of Section 34 of Article 3 of the Constitution or of any laws heretofore or hereafter passed in pursuance thereof, or be construed as preventing the Governor from calling extraordinary sessions of the General Assembly, as provided by Section 16 of Article 2, or as preventing the General Assembly at such extraordinary sessions from considering any emergency appropriation or appropriations.

(15) If any item of any appropriation bill passed under the provisions of this Section shall be held invalid upon any ground, such invalidity shall not affect the legality of the bill or of any other item of such bill or bills.

SECTION 3. AND BE IT FURTHER ENACTED, That the General Assembly determines that the amendment to the Maryland Constitution proposed by Section 2 of this Act affects multiple jurisdictions and that the provisions of Article XIV, § 1 of the Maryland Constitution concerning local approval of constitutional amendments do not apply.

SECTION 4. AND BE IT FURTHER ENACTED, That:

(a) The amendment to the Maryland Constitution proposed by Section 2 of this Act shall be submitted to the qualified voters of the State at the next general election to be held in November 2026 for adoption or rejection in accordance with Article XIV of the Maryland Constitution.

(b) (1) At that general election, the vote on the proposed amendment to the Constitution shall be by ballot, and on each ballot there shall be printed the words “For the Constitutional Amendment” and “Against the Constitutional Amendment”, as now provided by law.

(c) Immediately after the election, all returns shall be made to the Governor of the vote for and against the proposed amendment, as directed by Article XIV of the Maryland Constitution, and further proceedings held in accordance with Article XIV.

SECTION 5. AND BE IT FURTHER ENACTED, That Section 1 of this Act is contingent on the passage of Section 2 of this Act, a constitutional amendment, and its ratification by voters of the State.

SECTION 6. AND BE IT FURTHER ENACTED, That, subject to Section 5 of this Act, Section 1 of this Act shall take effect on the proclamation of the Governor that the constitutional amendment, having received a majority of the votes cast at the general election, has been adopted by the people of Maryland.
