**(House Bill 595)**

AN ACT concerning

**Income Tax – Credit for Physician Preceptors in Areas With Health Care  
Workforce Shortages – Alterations**

FOR the purpose of altering eligibility for a certain credit against the State income tax for certain physician preceptors by repealing a requirement that a student in a physician preceptorship program be enrolled in a medical school or medical training program in the State and reducing the required number of hours for a preceptor rotation for community–based clinical training; limiting the excess amount of tax credit certificates that the Department may carry forward and issue in subsequent taxable years; and generally relating to a credit against the State income tax for licensed physicians serving as physician preceptors in areas with health care workforce shortages.
