Section 6–1001 to be under the new subtitle “Subtitle 10. The Commission on the House of Reformation and Instruction for Colored Children”

Annotated Code of Maryland

(2021 Replacement Volume and 2025 Supplement)

Preamble

WHEREAS, The State of Maryland established the House of Reformation and Instruction for Colored Children (also known under various historical names) in Prince George’s County for over a century as a detention and reformatory institution for youth; and

WHEREAS, Recent reports and historical records have brought to light the existence of a neglected cemetery on the grounds of the former institution containing the unmarked graves of hundreds of deceased children, primarily African American boys, who died while in the care and custody of the State; and

WHEREAS, The condition of this burial ground represents a profound and long-standing failure of the State to provide dignity in death to children for whom it had assumed responsibility in life, and this neglect has hidden a painful chapter of Maryland’s history from public view and accountability; and

WHEREAS, The State of Maryland has a solemn moral and civic duty to the deceased, their families, and all its citizens to uncover the full truth of what occurred at the House of Reformation and Instruction for Colored Children, to account for every child buried in unmarked graves, and to understand the system that allowed such a tragedy to occur; now, therefore,
