§2.5–105.

(a) In calculating an individual's years of practice in an occupation or a profession, each unit shall give credit to the individual for all relevant experience as an active service member.

(b) Each unit shall credit any training and education provided by the uniformed services and completed by an active service member toward any training or education requirements for licensure if the training or education is determined by the unit to be:

(1) substantially equivalent to the training or education required by the unit; and

(2) not otherwise contrary to any other licensing requirement.
