§1–702.

(a) In calculating an individual's years of practice in a health occupation, each health occupations board shall give credit to the individual for all relevant experience as an active service member.

(b) Each health occupations board shall credit any training and education provided by the uniformed services and completed by an active service member toward any training or education requirements for licensure, certification, or registration if the training or education is determined by the health occupations board to be:

(1) Substantially equivalent to the training or education required by the health occupations board; and

(2) Not otherwise contrary to any other licensing requirement.
