§12–102.

(a) (1) In this section the following terms have the meanings indicated.

(2) “In the public interest” means the dispensing of drugs or devices by a licensed dentist, physician, nurse or midwife, or podiatrist to a patient when a pharmacy is not conveniently available to the patient.

(3) “Nurse or midwife” means an individual licensed or certified by the Board of Nursing under Title 8 of this article.

(4) Except as provided in § 15–302.2 of this article, “personally preparing and dispensing” means that the licensed dentist, physician, nurse or midwife, or podiatrist:

(i) Is physically present on the premises where the prescription is filled; and

(ii) Performs a final check of the prescription before it is provided to the patient.

(b) This title does not limit the right of an individual to practice a health occupation that the individual is authorized to practice under this article.

(c) (1) This subsection does not apply to a licensed dentist who obtains a permit from the State Board of Dental Examiners under subsection (h) of this section.

(2) This title does not prohibit:

(i) A licensed veterinarian from:

1. Personally preparing and dispensing the veterinarian’s prescriptions; or

2. Dispensing, in accordance with § 2–313(c) of the Agriculture Article, compounded nonsterile preparations or compounded sterile preparations provided by a pharmacy;

(ii) A licensed dentist, physician, or podiatrist from personally preparing and dispensing the dentist's, physician's, or podiatrist's prescriptions when:

1. The dentist, physician, or podiatrist:

A. Has applied to the board of licensure in this State which licensed the dentist, physician, or podiatrist;

B. Has demonstrated to the satisfaction of that board that the dispensing of prescription drugs or devices by the dentist, physician, or podiatrist is in the public interest;

C. Has received a written permit from that board to dispense prescription drugs or devices except that a written permit is not required in order to dispense starter dosages or samples without charge; and

D. Posts a sign conspicuously positioned and readable regarding the process for resolving incorrectly filled prescriptions or includes written information regarding the process with each prescription dispensed;

2. The person for whom the drugs or devices are prescribed is a patient of the prescribing dentist, physician, or podiatrist;

3. The dentist, physician, or podiatrist does not have a substantial financial interest in a pharmacy; and

4. The dentist, physician, or podiatrist:

A. Complies with the dispensing and labeling requirements of this title;

B. Records the dispensing of the prescription drug or device on the patient's chart;

C. Allows the Office of Controlled Substances Administration to enter and inspect the dentist's, physician's, or podiatrist's office at all reasonable hours and in accordance with § 12-102.1 of this subtitle;

D. On inspection by the Office of Controlled Substances Administration, signs and dates an acknowledgment form provided by the Office of Controlled Substances Administration relating to the requirements of this section;

E. Except for starter dosages or samples without charge, provides the patient with a written prescription, maintains prescription files in accordance with § 12–403(c)(13) of this title, and maintains a separate file for Schedule II prescriptions;

F. Does not direct patients to a single pharmacist or pharmacy in accordance with § 12–403(c)(8) of this title;

G. Does not receive remuneration for referring patients to a pharmacist or pharmacy;

H. Complies with the child resistant packaging requirements regarding prescription drugs under Title 22, Subtitle 3 of the Health – General Article;

I. Complies with drug recalls;

J. Maintains biennial inventories and complies with any other federal and State record–keeping requirements relating to controlled dangerous substances;

K. Purchases prescription drugs from a pharmacy or wholesale distributor who holds a permit issued by the Board of Pharmacy, as verified by the Board of Pharmacy;

L. Annually reports to the respective board of licensure whether the dentist, physician, or podiatrist has personally prepared and dispensed prescription drugs within the previous year; and

M. Completes ten continuing education credits over a 5–year period relating to the preparing and dispensing of prescription drugs, offered by the Accreditation Council for Pharmacy Education (ACPE) or as approved by the Secretary, in consultation with each respective board of licensure, as a condition of permit renewal;

(iii) A licensed physician from dispensing a topical medication without obtaining the permit required under item (ii)1C of this paragraph or completing the continuing education required under item (ii)4M of this paragraph when the physician:

1. Otherwise complies with item (ii) of this paragraph;
and

2. Has obtained a special written permit under § 14–509 of this article;

(iv) A licensed physician who complies with the requirements of item (ii) of this paragraph from personally preparing and dispensing a prescription written by:

1. A physician assistant who complies with Title 15, Subtitle 3 of this article; or

2. An advanced practice registered nurse with prescriptive authority under Title 8 of this article and is working with the physician in the same office setting;

(v) A hospital–based clinic from dispensing prescriptions to its patients; or

(vi) An individual licensed or certified under Title 8 of this article from personally preparing and dispensing a drug or device as authorized under Title 8 of this article.

(d) This title does not prohibit:

(1) A licensed veterinarian from personally dispensing a drug or device sample to a patient of the veterinarian; or

(2) A licensed dentist, licensed physician, or licensed podiatrist from personally dispensing a drug or device sample to a patient of the licensed dentist, licensed physician, or licensed podiatrist if:

(i) The sample complies with the labeling requirements of § 12–505 of this title;

(ii) No charge is made for the sample; and

(iii) The authorized prescriber enters an appropriate record in the patient’s chart.
