24 SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND,  
 25 That the Laws of Maryland read as follows:

26 **Article – Insurance**

27 [10–6A–05.

28 (a) Except as provided in subsection (b) of this section, an insurance policy sold in  
 29 connection with, and incidental to, a peer-to-peer car sharing program agreement under  
 30 the provisions of this subtitle is primary to any other valid and collectible coverage.

31 (b) Any insurance sold to a shared vehicle driver under the provisions of this  
 32 subtitle is not primary to the coverage provided by the peer-to-peer car sharing program  
 33 under § 19–520(d)(1) of this article.]

34 19–520.

35 (a) (1) In this section the following words have the meanings indicated.

1           (2) “Car sharing delivery period” means the period of time during which a  
2 shared motor vehicle is being delivered to the location of the car sharing start time, as  
3 documented by the shared vehicle owner under a peer-to-peer car sharing program  
4 agreement.

5           (3) “Car sharing period” means the period of time that commences with the  
6 car sharing delivery period and ends at the car sharing termination time.

7           (4) “Car sharing start time” means the time when a shared motor vehicle  
8 becomes subject to the control of the shared vehicle driver at or after the time the  
9 reservation of a shared motor vehicle is scheduled to begin as documented in the records of  
10 a peer-to-peer car sharing program.

11           (5) “Car sharing termination time” means:

12                   (i) the time when the shared motor vehicle is returned to the  
13 location designated by the shared vehicle owner through a peer-to-peer car sharing  
14 program; and

15                   (ii) the earliest of the following occurs:

16                           1. the expiration of the agreed period of time established for  
17 the use of the shared motor vehicle;

18                           2. the intent to terminate the use of the shared motor vehicle  
19 is verifiably communicated to the peer-to-peer car sharing program; or

20                           3. the shared vehicle owner, or the shared vehicle owner’s  
21 authorized designee, takes possession and control of the shared motor vehicle.

22           (6) “Intentional or fraudulent material misrepresentation” means an  
23 affirmative statement or an omission by a shared vehicle owner that misrepresents  
24 material facts about the shared vehicle owner or the shared motor vehicle.

25           (7) “Motor vehicle” has the meaning stated in § 11-135 of the  
26 Transportation Article.

27           (8) “Peer-to-peer car sharing” means the authorized use of a motor vehicle  
28 by an individual other than the vehicle’s owner through a peer-to-peer car sharing  
29 program.

30           (9) “Peer-to-peer car sharing program” means a platform that is in the  
31 business of connecting vehicle owners with drivers to enable the sharing of motor vehicles  
32 for financial consideration.

33           (10) “Peer-to-peer car sharing program agreement” means the written  
34 terms and conditions applicable to a shared vehicle owner and a shared vehicle driver that

1 govern the use of a shared vehicle through a peer-to-peer car sharing program under the  
2 provisions of this section and Title 18.5 of the Transportation Article.

3 (11) "Shared motor vehicle" means a motor vehicle that is available for  
4 sharing through a peer-to-peer car sharing program.

5 (12) "Shared vehicle driver" means an individual who has:

6 (i) reserved the use of a shared motor vehicle through a  
7 peer-to-peer car sharing program; and

8 (ii) been authorized to drive the shared motor vehicle by the  
9 peer-to-peer car sharing program.

10 (13) "Shared vehicle owner" means the registered owner of a motor vehicle  
11 made available for sharing to shared vehicle drivers through a peer-to-peer car sharing  
12 program.

13 (b) (1) Solely on the basis that a motor vehicle is shared through a  
14 peer-to-peer car sharing program:

15 (i) a peer-to-peer car sharing program may not be considered to  
16 have rented the vehicle under Title 18, Subtitle 1 of the Transportation Article;

17 (ii) the shared vehicle owner may not be considered to have rented a  
18 vehicle under Title 18, Subtitle 1 of the Transportation Article; and

19 (iii) a peer-to-peer car sharing program may not be considered to be:

20 1. a rental vehicle company under § 18-108 of the  
21 Transportation Article; or

22 2. a motor vehicle rental company under Title 10, Subtitle 6  
23 of this article.

24 (2) Subject to subsection (e)(1) of this section, the use of a shared motor  
25 vehicle through a peer-to-peer car sharing program does not constitute a commercial use  
26 solely on the basis that the motor vehicle is available for sharing or used through a  
27 peer-to-peer car sharing program.

28 (c) (1) (i) Except as provided in subparagraph (ii) of this paragraph, a  
29 peer-to-peer car sharing program shall assume the liability of a shared vehicle owner for  
30 any bodily injury or property damage to third parties or uninsured and underinsured  
31 motorist or personal injury protection losses during the car sharing period in an amount  
32 stated in the peer-to-peer car sharing program agreement, which amount may not be less  
33 than the minimum amount of security required under § 17-103 of the Transportation  
34 Article.

1 (ii) Except for the minimum security required under § 17-103 of the  
2 Transportation Article for any injured person who did not make the intentional or  
3 fraudulent misrepresentation, the assumption of liability under paragraph (1) of this  
4 subsection does not apply if the shared vehicle owner made an intentional or fraudulent  
5 material misrepresentation to the peer-to-peer car sharing program before the car sharing  
6 period in which the loss occurred.

7 (2) [Nothing in paragraph] **PARAGRAPH** (1) of this subsection **DOES NOT**  
8 **LIMIT:**

9 (i) [limits] the liability of the peer-to-peer car sharing program for  
10 any act or omission of the peer-to-peer car sharing program itself that results in injury to  
11 any person as a result of the use of a shared motor vehicle through a peer-to-peer car  
12 sharing program; or

13 (ii) [limits] the ability of the peer-to-peer car sharing program to,  
14 by contract, seek indemnification from the shared vehicle owner or the shared vehicle driver  
15 for economic loss sustained by the peer-to-peer car sharing program resulting from a  
16 breach of the terms and conditions of the peer-to-peer car sharing program agreement.

17 (3) Each peer-to-peer car sharing program agreement made with respect  
18 to a car sharing arrangement in the State shall disclose to the shared vehicle owner and  
19 the shared vehicle driver:

20 (i) any right of the peer-to-peer car sharing program to seek  
21 indemnification from the shared vehicle owner or the shared vehicle driver for economic  
22 loss sustained by the peer-to-peer car sharing program resulting from a breach of the  
23 terms and conditions of the peer-to-peer car sharing program agreement;

24 (ii) that a motor vehicle liability insurance policy issued to the  
25 shared vehicle owner for the shared motor vehicle or to the shared vehicle driver does not  
26 provide a defense or indemnification for any claim asserted by the peer-to-peer car sharing  
27 program under item (i) of this paragraph;

28 (iii) that the peer-to-peer car sharing program's insurance coverage  
29 on the shared vehicle owner and the shared vehicle driver is in effect only during each car  
30 sharing period and that, for any use of the shared motor vehicle by the shared vehicle driver  
31 after the car sharing termination time, the shared vehicle driver and the shared vehicle  
32 owner should contact the shared vehicle driver's or the shared vehicle owner's insurer about  
33 insurance coverage; **AND**

34 (iv) [that the peer-to-peer car sharing program's motor vehicle  
35 liability insurance policy may be exclusive for the shared vehicle owner and is primary for  
36 the shared vehicle driver, but may be secondary for the shared vehicle driver if the shared

2 Transportation Article; and

3 (v)] the daily rate, fees, any insurance costs, and any protection  
4 package costs that are charged to the shared vehicle owner or the shared vehicle driver.

5 (4) At the time when a vehicle owner registers as a shared vehicle owner  
6 on a peer-to-peer car sharing program and prior to the time when the shared vehicle owner  
7 makes a shared motor vehicle available for car sharing on the peer-to-peer car sharing  
8 program, the peer-to-peer car sharing program shall notify the shared vehicle owner that,  
9 if the shared motor vehicle has a lien against it, the use of the shared motor vehicle through  
10 a peer-to-peer car sharing program, including use without physical damage coverage, may  
11 violate the terms of the contract with the lienholder.

12 (d) (1) A peer-to-peer car sharing program shall ensure that, during each car  
13 sharing period, the shared vehicle owner and the shared vehicle driver are insured under  
14 a motor vehicle liability insurance policy that:

15 (i) **PROVIDES COVERAGE IN AMOUNTS NOT LESS THAN THOSE**  
16 **REQUIRED UNDER § 17–103 OF THE TRANSPORTATION ARTICLE; AND**

17 (II) 1. recognizes that the vehicle insured under the policy is

24 satisfied by motor vehicle liability insurance maintained by:

25 (i) a shared vehicle owner;

26 (ii) **A SHARED VEHICLE DRIVER;**

27 (III) a peer-to-peer car sharing program; or

30 (3) (I) **IN THIS PARAGRAPH, “REPLACEMENT VEHICLE” MEANS A**  
31 **SHARED MOTOR VEHICLE THAT IS USED IN A PEER-TO-PEER CAR SHARING**

5 SUBSECTION, THE MARYLAND AUTOMOBILE INSURANCE FUND MAY NOT BE  
6 REQUIRED TO PROVIDE COVERAGE TO A SHARED VEHICLE DRIVER FOR USE OF A  
7 SHARED VEHICLE THAT IS NOT A REPLACEMENT VEHICLE.

8 (4) (i) A peer-to-peer car sharing program shall have an insurable  
9 interest in a shared motor vehicle during the car sharing period.

10 (ii) A peer-to-peer car sharing program may own and maintain as  
11 the named insured one or more policies of motor vehicle liability insurance that provides  
12 coverage in the amount of, in excess of, or optional to the minimum amount of coverage  
13 required to be provided under paragraph (1) of this subsection, including coverage for:

7 basis.

8 (ii) This paragraph may not apply to the terms and conditions under  
9 the insurance policy applicable to the peer-to-peer car sharing program.

28 (e) (1) An authorized insurer that writes motor vehicle liability insurance in  
29 the State and the Maryland Automobile Insurance Fund may exclude any and all coverage  
30 and the duty to defend or indemnify for any claim afforded under a shared vehicle owner's  
31 personal motor vehicle liability insurance policy for any loss or injury that occurs during  
32 the car sharing period.

33 (2) A motor vehicle insurer that defends or indemnifies a claim against a  
34 driver that is excluded under the terms of its policy shall have the right to seek contribution  
35 against the motor vehicle insurer of the peer-to-peer car sharing program if the claim is:

1 (i) made against the shared vehicle owner or the shared vehicle  
2 driver for loss or injury that occurs during the car sharing period; and

3 (ii) excluded under the terms of its policy.

4 (3) Nothing in this section invalidates or limits an exclusion contained in a

25 applicant or policyholder of the personal motor vehicle liability insurance fails to provide  
26 complete and accurate information about the use of a shared motor vehicle through the  
27 peer-to-peer car sharing program as requested by the motor vehicle insurer during the

5 motor vehicle liability insurance policy provides coverage for a motor vehicle during the car  
6 sharing period; or

7 (3) precludes a motor vehicle insurer from providing coverage for a shared  
8 vehicle owner's vehicle while the vehicle is made available or used through a peer-to-peer  
9 car sharing program if the motor vehicle insurer elects to do so by contract or endorsement.

10 (h) (1) Coverage under a motor vehicle liability insurance policy maintained  
11 by a peer-to-peer car sharing program may not be dependent on the denial of a claim by  
12 another motor vehicle insurer.

13 (2) A motor vehicle insurer of a personal motor vehicle liability insurance  
14 policy may not be required to first deny a claim.

15 [(i)] (H) A peer-to-peer car sharing program and a shared vehicle owner shall  
16 be exempt from vicarious liability [in accordance] **CONSISTENT** with 49 U.S.C. § 30106  
17 and under any state or local law that imposes liability solely based on vehicle ownership.

18 [(j)] (I) In a claim coverage investigation following a vehicular accident, a  
19 peer-to-peer car sharing program shall cooperate to facilitate the exchange of information  
20 with directly involved parties and any motor vehicle insurer of a shared vehicle owner

28 (2) (i) In this paragraph, “replacement vehicle” means a motor vehicle  
29 that is used in a peer-to-peer car sharing program while a motor vehicle owned by the

10 in at least 10 point bold type, that informs the shared vehicle driver and the shared vehicle  
11 owner that the coverage on the vehicle being serviced or repaired is primary coverage for  
12 the replacement vehicle and the coverage maintained by the peer-to-peer car sharing  
13 program on the replacement vehicle is secondary.

14 (b) Notwithstanding any provision of a peer-to-peer car sharing program  
15 agreement to the contrary, the security required under this section shall cover the shared  
16 vehicle owner and each person driving or using the shared motor vehicle with the  
17 permission of the owner or the peer-to-peer car sharing program.
