<p>The Peoples Foundation (TPF) was established over two decades ago as an independent 501c3 organization to be a mechanism to further the philanthropic endeavors of individuals and organizations in Montgomery County. After the acquisition of over 40 acres of land in Montgomery, TPF primary focus has been on what is the best use for this land.</p>		

**11. Description and Purpose of Project** (Limit length to visible area)

TPF is planning to implement the first phase of the Multi-lingual Daycare-Aftercare facility and fully implementing a Solar-Resiliency Project. Both will be open and available to the public and local community. The Daycare/Aftercare will initially be launched in our existing facility after a few required improvements and modifications to meet local and state requirements for Daycare/Aftercare facilities including adding an age-appropriate playground. The next phase will be the construction of a new separate facility to serve a greater number of kids as well as senior citizens. Continuing with our commitment to serve the community in times of emergency and other critical needs, TPF has a goal of establishing Resiliency Hub where the community can reliably power critical communications.
