<b>10. Description and Purpose of Organization</b> (Limit length to visible area)		
<p>The organization is Woodlawn High School of Baltimore County Public Schools. The purpose of the organization is providing opportunities for the student-athletes in the community. Woodlawn High School Athletics follows the mission of BCPS Athletics. Our program is committed to promoting sportsmanship, ethical conduct and fair play, considering it is a vital part of students' social, emotional, physical, and educational development. It aims to support student achievement, encourage academic excellence (highlighting the 3.0 GPA All-Academic team), and ensure safe, equitable opportunities for all student-athletes. By following this vision, the Woodlawn Athletic Department is very proud of our students' accomplishments as they prepare for college years.</p>		

**11. Description and Purpose of Project** (Limit length to visible area)

The project consists of replacing the scoreboard and public address system in the stadium. The current system is approximately twenty years old and is beginning to fail. Every year it is requiring parts to be replaced to keep it working. The company has informed me that due to the age of the system parts are becoming not available. The Stadium is used to host many events for the Woodlawn Community. The past few years the school has hosted the BCPS Track and Field Championships. The scoreboard provides an experience for these events. The students are able to see their scores and placement as they come across the finish line. Other events hosted at Woodlawn High School are the BCPS Band Showcase, football, lacrosse, and soccer. The stadium provides a positive environment for the kids of our community all year.
