<p>The Baltimore County Dept. of Recreation and Parks provides a wide range of recreational opportunities to the citizens and visitors of the County, through hundreds of parks and recreation sites countywide. Recreational facilities are provided at parks, leased recreation sites, and public school recreation centers-- the latter through a joint-use agreement whereby many indoor and outdoor facilities at public schools are used for both educational and recreational purposes. The Department administers a wide range of parks, from countywide parks up to 1,100 acres in size, to small neighborhood "pocket parks" of less than an acre. The parks feature a wide variety of facilities and free-time recreational opportunities, and hundreds of organized recreation programs are provided through partnerships with non-profit recreation and parks councils formed by volunteers.</p>

**28. Comments**

Woodlawn Memorial Park is situated in an older, established community, and is in need of refurbishment. Some site renovations and improvements have taken place within the past five years or so, including limited playground improvements and renovations to the ball diamond backstops, safety fencing, and player benches. This grant would allow the County to complete further park renovations and enhancements, to bring the park's facilities up to modern standards and ensure that it remains safe and attractive.
