Analysis

Bill Summary:

Class C (Golf Course) License

A Class C (golf course) license authorizes the sale of beer, wine, and liquor. The Anne Arundel County Board of License Commissioners may (1) place conditions on the location of sale and consumption, including prohibiting the sale or consumption of alcohol in certain areas of the premises and (2) reduce the hours and days of sale for all or part of the licensed premises.

Sports Activity Venue Licenses

The board may issue a sports activity venue license to the owner or operator of a commercial recreational facility that offers bowling, golf or multisport stimulators, pickleball courts, indoor gymnasiums or training centers, or any similar sport activity or venue. The license authorizes sales to a customer who is at least 21 years old and is either (1) actively participating in the venue's dining or recreational services, or (2) on the licensed premises as a guest of a participant.

A sports activity venue license holder may sell alcoholic beverages authorized by the license at retail for on-premises consumption at the licensed location. The license holder may sell or serve alcohol only in certain areas designated for activity, seating, bar service, and dining, such as private party rooms.

The license holder must (1) offer food items for sale during all hours that alcoholic beverages are for sale; (2) require employees serving alcohol to be certified by an approved alcohol awareness training program; (3) implement a written policy for employees to monitor and limit service to customers participating in physical activities; and (4) obtain a crowd control training certificate where the occupant load exceeds 50 people.

Current Law: Maryland's 23 counties, Baltimore City, and the City of Annapolis all have boards of license commissioners who issue and enforce retail alcoholic beverages licenses in their jurisdictions. Within each jurisdiction, the most common types of retail licenses are Class A, Class B, Class C, and Class D licenses. Each license authorizes the sale of alcoholic beverages in a different manner. Class C licenses authorize the sale of alcohol to members and guests at a club, for on-site consumption only.

Class C license holders in Anne Arundel County may sell beer, wine, and liquor Monday through Saturday from 6 a.m. to 2 a.m. the following day. They may not sell beer, wine, or liquor after 2 a.m. on Sundays without a Sunday license. The board may issue a

Sunday license to a Class C license holder, authorizing the sale of beer, wine, and liquor on Sunday according to the terms of that license.

The Anne Arundel County Board of License Commissioners issues several licenses for specific types of organizations and venues, including country club licenses, yacht club licenses, and country and golf club licenses, among others.
