## Analysis

**Current Law:** No similar State income tax credit exists.

Pursuant to Health-General Article § 4-213.1, MDH must make available a certificate of birth resulting in stillbirth to the parent or parents of a stillborn child for whom a fetal death was registered.

**State Revenues:** General fund revenues may decrease by an estimated \$360,000 annually beginning in fiscal 2028 due to credits claimed against the personal income tax. This estimate is based on Maryland vital statistics published by MDH.
