Prince George's County - Property Tax Credit - New Businesses  
PG 407-26

---

This bill authorizes Prince George's County to grant, by law, a property tax credit against the county property tax imposed on any property owned or leased by a new business that creates 10 or more full-time jobs in an industry targeted for expansion by the Prince George's County Economic Development Corporation. The property tax credit may not be granted for more than ten years. Prince George's County may establish, by law: (1) the amount of the tax credit; (2) the duration of the tax credit; (3) additional eligibility criteria for the tax credit; (4) regulations and procedures for the application and uniform processing of requests for the tax credit; and (5) any other provision necessary to carry out the tax credit. **The bill takes effect June 1, 2026, and applies to taxable years beginning after June 30, 2026.**

---

Fiscal Summary

**State Effect:** None.

**Local Effect:** Prince George's County property tax revenues may decrease beginning in FY 2027 to the extent the property tax credit is granted. Local expenditures are not affected.

**Small Business Effect:** Potential meaningful. Businesses qualifying for the property tax credit will pay less in county property taxes.

---

Analysis

**Current Law:** Tax credit programs mandated by law may be applicable only to specific counties or municipalities. These credits can be found in Title 9, Subtitle 3 of the

Tax – Property Article. In addition to statewide optional tax credits, some optional credits are applicable only to a specified county or municipality within a specified county. These county specific optional credits are found in Title 9, Subtitle 3 of the Tax – Property Article. **Exhibit 1** shows the mandatory and optional property tax credits in Prince George’s County.

**Local Fiscal Effect:** Prince George's County property tax revenues may decrease beginning in fiscal 2027 to the extent the property tax credit is granted. The amount of the revenue decrease depends on the number of property tax credits that are granted, the assessed value of each eligible property, and the amount and duration of the property tax credit, none of which can be reliably estimated.

*Property Tax Collections in Prince George's County*

Prince George's County is projected to collect approximately \$1.7 billion in property tax revenues in fiscal 2026, as shown in the [County Revenue Outlook Report](#). A copy of the report is available on the Department of Legislative Services [website](#).
