 37 directly or indirectly, from funds of the State, whether appropriated or unappropriated.
 38 Except as otherwise provided, no part of the fund may consist of real property, in kind
 39 contributions, or funds expended prior to the effective date of this Act. In case of any dispute

1 as to what money or assets may qualify as matching funds, the Board of Public Works shall

23 Director of the Trust determines that the capital project impacts real property that is
24 individually listed in, or eligible for individual listing in, the Maryland Register of Historic
25 Properties, unless the Director of the Trust also determines that the real property:

26 (i) Is a type that is already adequately represented among the
27 Trust's existing easement properties;

28 (ii) Is already subject to adequate protections of historic preservation
29 law or instrument; or

30 (iii) Has conditions peculiar to it that make requiring an easement
31 impractical.

32 (b) If the grantee holds a lease on the property, the Trust may accept an
33 easement on the leasehold interest.

34 (c) The easement must be in form, substance, and duration acceptable to

3 review.

4 (7) The proceeds of the loan must be expended or encumbered by the Board of
5 Public Works for the purposes provided in this Act no later than June 1, 2028. If any funds
6 authorized by this Act remain unexpended or unencumbered after June 1, 2028, the amount
7 of the unexpended or unencumbered authorization shall be canceled and be of no further
8 force and effect. If bonds have been issued for the loan, the amount of unexpended or
9 unencumbered bond proceeds shall be disposed of as provided in § 8–129 of the State

19 appropriation; or

20 (ii) The location of the project, provided that the proposed location is
21 within the county specified in the original appropriation.

22 (b) The Department of Budget and Management shall notify the Office of
23 Policy Analysis within the Department of Legislative Services in writing of:

24 (i) The technical differences between an appropriation in Section

26 (ii) The justification that the proposed use of the funds is consistent
27 with the public purpose of the appropriation.

28 (c) (i) The Office of Policy Analysis shall have 45 days to review and
29 comment on the proposed use of the funds.

30 (ii) If the Office of Policy Analysis does not submit written objections
31 within 45 days, the Department of Budget and Management shall provide certification in
32 writing to the Board of Public Works that the proposed use of funds may be approved
