# Fiscal 2025 Budget Budget Bill (SB 360) and the Budget Reconciliation and Financing Act (SB 362) As Amended by the Conference Committee

**Meets Spending Affordability Goals:** Both the general fund balance of \$128 million and the structural shortfall of -\$439 million surpass the Spending Affordability Committee (SAC) goals of \$100 million fund balance and -\$508 million structural balance.

**Preserves Reserves:** About \$2.4 billion in cash resources are preserved including \$2.3 billion in the Revenue Stabilization Account (Rainy Day Fund) (9.4% of general fund revenues) and \$128 million in the General Fund.

Raises Ongoing Revenues to Address the State's Transportation Needs: \$257 million of revenues are generated in fiscal 2025 by raising vehicle registration fees, establishing a Transportation Network Company impact fee for each passenger trip, collecting an annual registration surcharge from owners of zero emission and plug-in electric vehicles, raising the dealer processing charge, and increasing fines for speeding in work zones through Senate Bill 479.

Strengthens the State's Emergency Medical System: Almost \$105 million of new revenue is dedicated to emergency medical services beginning in fiscal 2025 including about \$46 million to eliminate a projected structural deficit for the Emergency Medical Systems Operations Fund, which supports the State police aviation command, coordination of the State's emergency medical system, and grants to locals for fire and rescue equipment; \$41 million for shock trauma; and \$18 million to expand reimbursements from the Maryland Trauma Services Fund.

Improves the Financial Condition of the Blueprint Fund: The budget erases the projected fiscal 2027 Blueprint Fund shortfall by increasing taxes on cigarettes, certain other tobacco products, and electronic smoking devices and dedicating both the new revenues and a portion of existing tobacco tax revenues to the Blueprint Fund. Other actions improving the health of the Blueprint Fund include reducing fiscal 2025 spending and transferring \$40 million from the School Construction Revolving Loan Fund.

**Restores Funds for Legislative Priorities:** The budget restores funds for legislative priorities that the Governor proposed reducing including almost \$10 million for community colleges, almost \$6 million for resiliency activities, \$5 million for pediatric cancer, and \$1 million for warrant apprehension grants.

Adds Funds to Meet Debt Service Obligations and Creates Capacity for Legislative Capital Priorities: The budget shifts \$111 million of capital projects from general obligation (GO) bonds, freeing up GO bond capacity for legislative priorities in the capital budget. Other notable legislative additions include \$21 million for debt service, \$10 million

for rental housing, \$4.2 million to expand eligibility and increase the minimum benefit for the Supplemental Nutrition Assistance Program benefit for seniors, \$4 million for police accountability grants, \$3.6 million for home detention monitoring, \$3.6 million to increase the amounts deposited in health reimbursement accounts of certain State retirees transitioning to Medicare Part D, and \$1.8 million for rape crisis centers.

**Alleviates Projected Shortfalls for Entitlement Programs:** The Governor is authorized to withdraw up to \$199 million from the Rainy Day Fund to ensure that Medicaid and foster care are adequately funded.

**Earmarks Funds to Assist Individuals and Businesses Impacted by the Reduced Operations of the Port of Baltimore:** The Governor is authorized to withdraw up to \$275 million from the Rainy Day Fund for this purpose contingent on enactment of legislation.

**Increases Funding for Public Schools:** State support for public schools will total \$9.1 billion. Aid to local school systems will increase an estimated \$457.1 million, or 5.3%.

Boosts State Employee Salaries and Funds Other Initiatives to Facilitate Recruitment and Retention in a Highly Competitive Labor Market: The budget includes \$454.7 million for fiscal 2025 salary increases including a 3% cost-of-living adjustment (5% for members for law enforcement officers), employee salary increments, bonus increments for employees with 4.5 years or more of service, targeted salary increases for hard to fill positions, and bonuses for certain public safety workers.

**Continues to Provide Vital Health Care Services:** Medicaid funding totals \$14.4 billion, allowing the State to provide coverage to over 1.6 million of our residents. Rate increases of 3% are funded for providers serving the developmentally disabled, behavioral health providers, nursing homes, and most Medicaid community-based providers.

Enhances Funding for Public Safety and Maintains Support for Victim Services: The budget funds police aid at \$121.4 million, \$46 million above the statutorily required amount. New funding of \$8 million is provided for gun violence prevention and intervention programs, while \$10.3 million is invested in community-based services for juveniles and services to families residing in communities with high crime rates.

**Supports Families with Children:** Almost \$488 million of new funding is allocated to the child care scholarship program to address shortfalls in fiscal 2023 and 2024 and adequately fund the fiscal 2025 budget. The program has seen participation more than double since January 2021 to more than 31,000 children. Conference actions also prohibit planned increases in co-payments.

**Invests in the State's Climate Pollution Reduction Plan:** The budget includes \$90 million for the climate pollution reduction efforts including \$17 million for grants to purchase/lease electric school buses, \$23 million to install vehicle charging infrastructure, and \$50 million for grants to electrify hospitals, schools, multi-family housing, and other community buildings.

Technical Amendments: Purpose and function paragraphs and renumbering.

Strikes a provision that would have eliminated the requirement that the Governor provide \$150,000 annually for a Native Plant Specialist at the University of Maryland Extension and \$100,000 annually for the Maryland Department of Agriculture to administer the Native Plants Program.

Modifies a provision to eliminate the requirement that the Governor provide \$700,000 in general funds for the Consumer Protection Division and authorize the Governor to use special funds instead to apply to fiscal 2025 only rather than permanently and reduce the mandate to \$350,000 beginning in fiscal 2026.

Strikes a provision that would have:

 included work zone safety speed control systems citations to other automated citation practices and amended the use of these fines to include highway safety programs;

<sup>&</sup>lt;sup>1</sup> Provisions added or amended in whole or in part, except by a technical amendment, are noted in italics.

- expanded the allowable uses of revenues generated from work zone speeding citations to include highway and/or work zone safety efforts and system preservation within the State Highway Administration; and
- amended requirements related to work zone control systems to increase fines for citations beginning on January 1, 2025, and require certain reporting.

Modifies a provision to repeal the School Construction Revolving Loan Fund and authorize a transfer of \$40 million from the fund balance to the Blueprint for Maryland Maryland's Future Fund instead of eliminating the mandate.

Modifies a provision that alters the allowable uses of the Blueprint for Maryland's Future Fund provided for Coordinated Community Supports to include reimbursements for school-based behavioral health services including reimbursing the Maryland Department of Health (MDH) Medical Care Programs Administration for services provided on a fee-for-service basis through a Medicaid waiver to alter allowable uses for fiscal 2025 only.

Strikes a provision that would have required that the Community Health Resources Commission procure a certain type of referral platform.

Modifies a provision to prohibit an increase in Child Care Scholarship co-payment levels above those in place on January 1, 2024, and restores a requirement that prohibits a freeze in enrollment without certain notifications.

Modifies a provision that specifies the State aid per full-time equivalent student (FTES) for the public four-year institutions is to be calculated using the second prior year students at the public four-year institutions and second prior year actual expenditures for the Cade funding formula to require the inclusion of all State funds, rather than general funds only, and to clarify how graduate students are to be calculated.

Modifies a provision that alters the Cade formula to remove the hold harmless provisions, alters the enrollment count for the community college institutions, removes the fixed cost portion of the distribution by institution, and would have lowered the statutory percentage of State aid per FTES for the select public-four year institutions from 29% to 26.5% to instead set the percentage of State aid per FTES in the formula to 27.2%.

Modifies a provision that specifies the State aid per FTES for the public four-year institutions is to be calculated using the second prior year students at the public four-year institutions and second prior year actual expenditures for the Baltimore City Community College funding formula to require the inclusion of all State funds.

rather than general funds only, and to clarify how graduate students are to be calculated.

Modifies a provision that specifies that the calculation of the State aid per FTES for the public four-year institutions is to be calculated using the second prior year students at the public four-year institutions and second prior year actual expenditures for the Sellinger formula to require the inclusion of all State funds, rather than general funds only, and to clarify how graduate students are to be calculated.

Modifies a provision to increase the percentage of State aid per FTES for select public four-year institutions used for the Sellinger funding formula from 15.5% to 16.1% and maintain the change in the BRFA as introduced to count only undergraduate enrollment.

Strikes a provision that would have removed a prohibition on the MDH Developmental Disabilities Administration setting a dollar cap on self-directed and family-directed goods and services.

Modifies a provision to expand the allowable uses of the Senior Prescription Drug Assistance Program Fund to include the Kidney Disease program and certain mental health services for the uninsured beginning in fiscal 2025 to also allow for fiscal 2025 only contributions to health reimbursement accounts for certain State retirees enrolled in Medicare Part D.

Modifies a provision related to the Maryland Trauma Physician Services Fund that:

- expands the purpose of the fund to include the documented costs of trauma healthcare practitioners (in addition to trauma physicians);
- increases the maximum amount of reimbursable on-call hours that a Level II trauma center may receive;
- alters the maximum reimbursement rates for on-call costs;
- establishes mandated annual grants of \$900,000 to certain pediatric trauma centers;
- expands the revenue sources deposited into the fund to include 20% of fines associated with guilty pleas for impaired driving and any funds transferred from the General Fund; and
- requires certain reporting; and;

To also alter the limit on the amount of grants awarded relative to the fund balance and share of annual revenue, amend certain grant amounts to make the amounts caps rather than mandated levels, and alter reporting requirements.

Alters the requirement to provide \$5.0 million of general funds for the Business Façade Improvement Fund to allow either general funds or general obligation bonds to be used to meet the requirement.

Eliminates the requirement that the Governor provide \$1,794,000 for the Fisheries Research Development Fund in fiscal 2025 only.

Restores a provision that reduces the amount that the Governor must provide for the Mel Noland Woodland Incentives and Fellowship Fund from \$1.0 million to \$500,000 beginning in fiscal 2025.

Modifies a provision that allows the Governor to use the Chesapeake and Atlantic Coastal Bays 2010 Trust Fund to meet the requirement to provide \$2.5 million for tree plantings on public and private land beginning in fiscal 2025 to be consistent with the original intent of the provision that this authorization begins in fiscal 2024.

Strikes a provision that would have reduced the amount that the Governor must provide in fiscal 2025 and 2026 for grants to local law enforcement agencies for warrant apprehension efforts from \$2.0 million to \$1.0 million.

Modifies a provision that establishes a transportation network company impact fee, which must be assessed for all transportation network passenger trips that originate in the State, to delay the effective date from June 1, 2024, to July 1, 2024.

Modifies a provision that would have capped at \$100 million the amount of projected nonwithholding income tax revenue that must, under certain circumstances be subtracted from the projected general fund revenue estimate in fiscal 2025 and 2026 to instead cap the amounts at \$0 in fiscal 2024 and 2025 and make no change to current law in fiscal 2026.

Redirects interest earned on special fund accounts to the General Fund for fiscal 2024 through 2028 only and provides exemptions for certain accounts.

Strikes a provision that would have eliminated the requirement that the Governor provide printed budget books with the submission of the budget.

Strikes a provision that would have eliminated the requirement that the Governor distribute certain fiscal 2023 general fund surplus to the Revenue Stabilization Account (Rainy Day Fund), the State Retirement and Pension System, and the Postemployment Benefits Trust Fund in fiscal 2025 only because the funds are reduced directly in the budget bill.

Modifies a provision that reduces the commissions received by lottery agents for cashing winning tickets from 3% to 2% and would have reduced the commission received for the selling of tickets from 6.0% to 5.5% of gross lottery sales to instead alter lottery ticket sales commissions to 5.75%.

Adds a provision to reduce the required retirement reinvestment contribution from \$75 million to \$50 million annually beginning in fiscal 2025 and repeal the requirement to reduce the pension contribution by the amount of certain administrative fees beginning in fiscal 2026.

Adds a provision to specify that a required \$10 million distribution to the Local Income Tax Reserve Account is to repay a transfer of \$350 million to the Education Trust Fund beginning in fiscal 2026 and ends the distribution after fiscal 2060.

Strikes a provision that would have required combined reporting under the Corporate Income Tax.

Modifies a provision to increase annual vehicle registration fees for all classifications and allow the payments to be made in installments to provide a phased increase from fiscal 2025 through fiscal 2027.

Modifies a provision that increases the amount of the vehicle registration surcharge and increases or establishes specified surcharge revenue distributions to the Maryland Trauma Physician Services Fund, the R Adams Cowley Shock Trauma Center, and the Maryland Emergency Medical System Operations Fund to alter the distribution among recipients and specify funding levels for the Amoss Fire, Rescue, and Ambulance Fund beginning in fiscal 2026.

Modifies a provision that establishes an annual surcharge on electric vehicle registrations to support the TTF and allows for the surcharge to be paid in installments to apply the surcharge to plug-in electric vehicles only and alter the surcharge levels.

Adds a provision that increases fines for individuals convicted of impaired driving and specify distribution to the Trauma Physician Services Fund.

Strikes a provision that would have:

- altered the vehicle trade-in allowance based on the fuel source of the new vehicle being purchased beginning on July 1, 2024, but eliminated the trade-in allowance after July 1, 2029; and
- increased the vehicle excise tax rate from 6% to 6.5%.

Strikes a provision that would have reduced the amount of funding the Governor must provide for state of good repair funding in MTA in fiscal 2025 only from \$450.0 million to \$439.0 million.

Modifies a provision that would have changed the requirement that all procurements for the MTA bus fleet be zero-emission buses to 25% beginning in 2025 to maintain the requirement that all procurements be zero-emission buses, but instead begin the requirement in fiscal 2027. Also alters the exceptions based on available vehicle supply to allow for the purchase of hybrid, rather than clean diesel buses.

Strikes a provision that would have advanced the reduction in the local share of the Highway User Revenue Distribution that would have occurred in fiscal 2028 to fiscal 2026.

Strikes a provision that would have eliminated the requirement that the Motor Vehicle Administration provide vehicle registration stickers for license plates.

Modifies a provision that repeals the Maryland Commission on Transportation Revenue and Infrastructure Needs (TRAIN Commission) to instead re-establish the TRAIN Commission with altered membership and establish an advisory committee.

Modifies a provision that established intent regarding uses of new transportation revenues to strike the description of the intended uses and to instead prohibit the new revenues raised for transportation purposes to be allocated for highway user revenue.

Strikes a provision that would have eliminated the requirement that the Governor provide at least the amount of prior year appropriation for the Maryland Public Broadcasting Commission increased by general fund growth and the requirement that the Governor provide an additional amount based on lower receipts of specific federal grants.

Repeals the small business relief tax credit available to small businesses that provide paid sick and safe leave to qualified employees.

Modifies a provision that would have authorized a transfer of \$40.0 million of balance in the account used by the State to pay unemployment compensation benefits for State employees to the General Fund in fiscal 2025 to authorize a transfer of \$60.0 million.

Strikes a provision that would have authorized a transfer of \$5.75 million of balance in the Resilient Maryland Revolving Loan Fund to the General Fund in fiscal 2025.

Strikes a provision that would have authorized a transfer of \$5.0 million of balance in the Pediatric Cancer Fund to the General Fund in fiscal 2025.

Modifies a provision that authorizes transfer of fund balance from three health professional boards (Board of Professional Counselors and Therapists, State Board of Occupational Therapy Practice, and State Board of Examiners for Psychologists) to reduce the amounts to be transferred from the State Board of Occupational Therapy Practice and the State Board of Examiners for Psychologists. These reductions result in transfers of a total of \$2.5 million to the MDH Behavioral Health Administration in fiscal 2025 rather than \$3.0 million as introduced.

Authorizes a transfer of remaining fund balance of \$216,845 from the Health Information Exchange Fund for which spending authority has ended to the MDH Medical Care Programs Administration to support information technology activities.

Makes a technical amendment related to striking of a transfer of miscellaneous expenses (\$0.4 million) concurred with by both the House and Senate to a provision that authorizes transfers from various funds in the Dedicated Purpose Account (DPA) to the General Fund including \$149.5 million for cybersecurity purposes, \$28.9 million for renovations to 2100 Guilford Avenue, \$9.1 million for the Maryland Department of Emergency Management headquarters renovation and expansion, and \$6.0 million for Conowingo Dam dredging.

Modifies a provision that authorizes a transfer of \$90 million from the Strategic Energy Investment Fund (SEIF) to the DPA to be used to support the implementation of the Climate Solutions Now Act of 2022 and the State's Climate Pollution Reduction Plan to specify the distribution of SEIF transfers by account and prohibit a transfer from the energy assistance account.

Adds a provision that authorizes a transfer of \$14 million from the DPA, originally intended for critical maintenance at State parks, to the General Fund in fiscal 2025.

Adds a provision to authorize a transfer of \$7.5 million in unspent funds from the DPA, originally intended to support assisted living facilities (\$7.3 million), nursing homes (\$132,321), and hospitals (\$108,302), to the General Fund in fiscal 2025.

Adds a provision to authorize a transfer of \$4.5 million in unspent funds from the DPA, originally intended for use in the Learning in Extended Academic Programs, to the General Fund in fiscal 2025.

Adds a provision to authorize a transfer of \$6.7 million from the Program Open Space State land acquisition fund balance to be used for personnel expenses in the Maryland Park Service and Maryland Forest Service in fiscal 2025 only.

Adds a provision to reduce pay-as-you-go (PAYGO) funding in fiscal 2022 for the demolition of the Bard building at Baltimore City Community College by \$2.0 million to reflect actual project costs.

Adds a provision to expand the allowable uses of a fiscal 2024 PAYGO miscellaneous capital grant to the Living Classrooms Foundation to allow funds to be used for insurance expenses.

Adds a provision to authorize a transfer of \$150 million of funds from the Local Income Tax Reserve account, representing funds that were overdistributed net of canceled repayments, to the General Fund in fiscal 2024.

Adds a provision to expand the authorized uses of the Police Training and Standards Commission Fund in fiscal 2024 and fiscal 2025.

Adds a provision to increase the allowable amount that car retailers may assess as a dealer processing fee.

Adds a provision to delay and phase in the inclusion of Tier II children in prekindergarten enrollment.

Adds a provision to increase the per pupil funding amounts for prekindergarten in fiscal 2027 and fiscal 2028.

Adds a provision to increase revenues to the Blueprint for Maryland's Future Fund by providing a certain dollar amount of all tobacco tax revenue in fiscal 2025 and establishing percentages of all tobacco tax revenue beginning in fiscal 2026 that are directed to the fund and directing funds from an increase in the sales tax rate for electronic smoking devices to the fund. In addition, the provision:

- increases the per-pack tax rate assessed on cigarettes;
- establishes a one-time floor tax on cigarettes held for sale or use in the State:
- increases the tax rate assessed on certain other tobacco products; and
- increases the tax rate assessed on electronic smoking devices.

Adds a provision to require the Comptroller to distribute to the TTF sales and use tax collections attributable to the sale of electricity at electric vehicle charging stations or electricity used to charge electric vehicles and not sold under a residential or domestic rate schedule.

Adds a provision to require the Accountability and Implementation Board to conduct and submit an independent evaluation of the Blueprint for Maryland's Future by January 15, 2027..
