Upon the

Upon verifying that the requirements of this subsection and Division II “Municipalities”, Title 4 “In General”, Subtitle 4 “Annexation” of the Local Government Article of the Annotated Code of Maryland have been complied with, the officer shall by proclamation suspend the effectiveness of the resolution, contingent upon the results of the referendum. Upon presentation of a petition by the governing body of Prince George’s County, the City Administrative Officer shall verify compliance with the requirements of Division II “Municipalities”, Title 4 “In General”, Subtitle 4 “Annexation” of the Local Government Article of the Annotated Code of Maryland, and upon verifying compliance the Mayor, by proclamation, shall suspend the effectiveness of the annexation resolution pending the results of the referendum. The Council shall have the annexation resolution or the part thereof requested for referendum submitted to a referendum in accordance with the provisions of Division II “Municipalities”, Title 4 “In General”, Subtitle 4 “Annexation” of the Local Government Article of the Annotated Code of Maryland and the Council shall have the authority to enact ordinances to provide for conducting and tabulating the results of such a referendum.

B. *Petition: Charter amendment resolution.* A Charter amendment or amendments proposed by the City Council of the City shall become and be considered a part of the City Charter, according to the terms of the amendment or amendments, in all respects to be effective and observed as such, upon the 50th day after being so ordained or passed, unless on or before the 40th day after being so ordained or passed there shall be presented to the City Council of the City, or mailed to it by certified mail, return receipt requested, bearing a postmark from the United States Postal Service, a petition meeting the requirements of this subsection and the Local Government Article of the Annotated Code of Maryland. The petition shall be signed by twenty per centum (20%) or more of the qualified voters for general elections of the City and shall request that the proposed amendment or amendments be submitted to referendum of the qualified voters of the City. Petitions for referendum of a Charter amendment resolution shall be handled in accordance with the applicable provisions of the Local Government Article of the Annotated Code of Maryland, as amended.

C. *Petition: ordinances.* If, before the expiration of twenty (20) calendar days following approval of an ordinance, a petition is filed with the City Board of Elections containing the signatures of not less than eight per centum (8%) of the qualified voters of the City and requesting that the ordinance or resolution, or any part thereof, be submitted to a vote of the qualified voters of the City for their approval or disapproval, the Council shall have the ordinance or the part thereof requested for referendum submitted to a vote of the qualified voters of the City at the next regular City election or, in the Council’s discretion, at a special election occurring before the next regular election. A petition must be submitted to the City Attorney to be approved by him/her in order for the petition to be valid. The City Attorney shall have three (3) business days to approve the petition. No ordinance, or the part thereof requested for referendum, shall become effective following the receipt of such petition until and unless approved at the election by a majority of the registered voters voting on the question. An emergency ordinance, or the part thereof requested for referendum, shall continue in effect for sixty (60) days following receipt of

such petition. If the question of approval or disapproval of any ordinance, or any part thereof, has not been submitted to the registered voters within sixty (60) days following receipt of the petition, then the operation of the ordinance, or the part thereof requested for referendum, shall be suspended until approved by the majority of the registered voters voting on the question at the election. Any ordinance, or part thereof, disapproved by the voters shall stand repealed. The provisions of this section shall be self-executing, but the Council may adopt ordinances in furtherance of these provisions and not in conflict with them.

D. *Petition: form.* Each person signing a petition shall indicate thereon both his or her name and residence address. Each person signing the petition shall also print his or her name and address, but failing to print a name and/or address shall not disqualify a corresponding signature. A petition may consist of several pages, but each page shall contain a request that the resolution or ordinance be submitted on referendum to the voters of the City and shall also consist of the complete text or an accurate and fair summary of the ordinance, annexation resolution, Charter amendment resolution or other resolution petitioned upon. There shall be at the bottom of each page of signatures filed with a petition an affidavit of the person procuring the signatures on such page that to the person's best knowledge and belief every signature on it is genuine and bona fide and that the signers are qualified voters of the City. Upon receiving the petition, the Board of Elections is directed to verify that it has been signed by the required number of qualified voters. A minor variation in the signature of a petitioner between his or her signature on a petition and that on the City voter registration records shall not invalidate the signature. The invalidation of one signature on a petition shall not serve to invalidate any others. If the petition fails to contain the required number of valid signatures, as determined by the Board of Elections, the petitioners may submit, as an amendment to their original petition, the additional number of valid signatures to meet the requirements of this subsection but within the aforementioned time.

E. *Petition: applicability.* The provisions of this subsection shall not apply to any ordinance, or part thereof, levying property taxes for the payment of indebtedness, but the provisions of this subsection shall apply to any ordinance, or part thereof, levying benefit assessment charges.

F. *Effect of petition.* Any ordinance or resolution, or the part thereof requested for referendum, shall be suspended following the receipt of such petition until and unless found to be invalid or approved at the election thereon by a majority of the qualified voters voting on the question; provided, however, that for ordinances the total number of votes cast in any special election shall equal at least twenty-five percent (25%) of the total number of votes cast in the last municipal general election. In the case where fewer than twenty-five percent (25%) of the votes in the previous municipal election are cast, then the ordinance or resolution shall be considered approved and valid and the suspension of its effectiveness shall end. Any ordinance or resolution, or part thereof, disapproved by the voters shall stand repealed.

G. *Advisory referendums.* The Council, for its guidance, may provide for advisory referendum questions at a regular or a special municipal election. (Res. 02-16, 1-23-03; Res. 14-05, 4-29-14; Res. No. 18-04, 3-8-18)

B. *Petition.* If a petition signed by not less than twenty-five percent (25%) of the qualified registered voters of the City shall be presented to the Board of Elections setting forth that the officeholder in question has failed to perform the duties of his or her office and specifying the instances of such failure and requesting an election to vote upon the recall of the officeholder, the Board of Elections shall immediately pass upon the legal sufficiency thereof and shall verify that the petition has been signed by the required number of qualified registered voters. Each person signing the petition shall indicate thereon their name and residence address. The Council shall consider the petition as of no effect if it is signed by fewer than twenty-five percent (25%) of the persons who are qualified to vote in municipal elections. A minor variation in the signature of a petition between his or her signature on a petition and that on the City voter registration records shall not invalidate the signature. The invalidation of one signature on a petition shall not serve to invalidate any others.

C. *Effect of petition.* If the Board of Elections shall determine that the petition meets all the requirements of this section, the Council shall, by resolution, specify the day and the hours for a special election to be held, not more than forty-five (45) calendar days from the date said resolution is adopted. The resolution shall specify the exact wording of the question which is to appear on the ballot. The ballot question shall include the name of the officeholder in question and the office which he or she holds and shall request a "yes" or a "no" vote as to his or her removal from that office. The ballot question shall not specify, or in any way refer to or imply, the reasons for which removal is being sought.

D. *Results of election.* If a majority of the voters in the special election vote in favor of recalling the officeholder in question, upon certification of the results of the election by the Board of Elections to the Council, said office shall thereupon be declared vacant by the Council and shall be filled by the Council in the manner prescribed by this Charter; provided, however, that if the total number of votes cast in the special election does not equal at least twenty percent (20%) of the total number of registered voters, then the results of the election shall be considered to have no effect. (Res. No. 97-05, 3-12-98; Res. 14-05, 4-29-14; Res. No. 18-04, 3-8-18)

Section C-21. Code of Ethics.

The Council shall adopt a Code of Ethics applying to all persons in the service of the City, such code to be on file for public inspection in the offices of the City, and shall be reviewed every three (3) years by the Board of Ethics. (Res. No. 18-04, 3-8-18)

Section C-22. Legislative intent.

Notwithstanding any other evidence of the legislative intent of the Council regarding this Charter, it is hereby declared to be the legislative intent that if any provisions of this Charter or the application thereof to any person or circumstances is held invalid by any court of competent

jurisdiction, the remainder of the Charter and the application of such provision to other persons or circumstances shall not be affected thereby. (Res. No. 14-03, 4-29-14; Res. No. 18-04, 3-8-18).
