House Bill 715 – State Finance and Procurement Appropriations (Mag –Lev)

HB 715 Position: OPPOSE

The Plumbers & Steamfitters UA Local 486 opposes Senate Bill 253. We're just one of the 24 affiliates representing 2000 Licensed Steamfitters and Plumbers in the Baltimore metropolitan area and the Eastern Shore.

- HB 715 would Prohibit any state funding for a Maglev system
- Prohibit any public or private company that receives money from the state from authorizing a permit or any other form of approval for Maglev in the state.

Plumbers & Steamfitters Local 486 realizes what kind of Economic impact a project like this could provide in the way of Wages, Healthcare and tax revenue for the state also.

We ask that you weigh the thousands of good paying jobs against those who would stand in the way of Progress.

Sincerely,

Gerald W. Jackson Sr.

Assistant Business Manager
