Re: HB737- Local Governments - Income Tax Disparity Grants - Amounts

Dear Chairwoman McIntosh,

Thank you for your consideration of HB737- Local Governments - Income Tax Disparity Grants – Amounts. This legislation will greatly impact the residents of Wicomico County by altering the grant formula to include lower income revenues. Together, we passed a similar bill in 2018 of which we have noticed a substantial positive outcome. I respectfully request that the Appropriations Committee to give this bill an favorable report.

Thank you for your consideration.

Sincerely,

Del. Carl L. Anderton
