Re: Senate Bill 59

Dear Senator King:

My name is Susan Stokes and I reside at 719 Baylor Road, Glen Burnie, Maryland. I am a member of Severna Park Elks' Lodge #2482 and currently serve as the Chaplain.

I am writing to ask that you and the Committee help our lodge and all other fraternal organizations in the following counties: Anne Arundel, Baltimore, Howard, Harford, Frederick, Carroll, Allegany, Calvert, Montgomery, Prince Georges, Garrett, St. Mary's, Charles and Baltimore City to be better financially equipped to reach out to our communities in a broader sense by passing Senate Bill 59. The monies received through the Instant Lottery Machines would allow the lodges to increase their benevolent spending. In the Severna Park Lodge this year we have donated 150 food baskets to identified needy families in our area, provided personal \$1000 scholarships to 2 students from the greater Anne Arundel county area, paid for 27 children, identified as in need, to attend the Elks' Camp Barrett summer camp, donated money to Falcons Booster Club, Old Mill Youth Association, Eagle Scout Troop #454, given substantial donations to the National Multiple Scleroses Society, Neuroendocrine Research, Helping Out Mission, Help Hope Live, Partners In Care, Wreaths Across America donated 81 fully supplied backpacks to Marley Elementary School, donated \$2500 worth of school supplies directly to teachers to resupply classrooms in the middle of the school year, purchased specific supplies for Ruth Eason School (tactile equipment, wipes, books and non-latex gloves), provided care packages for the residents of the Veterans Nursing Home at Loch Raven and donated 4 bins of toys and \$500 to Toys for Tots as well as providing Christmas gifts for 50 children on our Angel Tree.

The above is just as example of the benevolent giving from one Elk's Lodge since April 2019. In total there are 23 Elks' Lodges that would be positively impacted by the passage of Senate Bill 59. This number does not include the many other fraternal organizations included in the bill's language.

Recently the Deale Elks' Lodge submitted a Bond Initiative to the Anne Arundel County Delegation for monies to help improve their lodge building. They have requested a grant, not hard or soft funding. With money from this bill, that lodge could use money

from its operating budget for that expense and money from the lottery machines could be used for benevolent purposes. It would also free up bond money to benefit others in need of funds.

I personally see the passage of Senate Bill 59 as a triple win. Certainly for our Maryland veterans in the form of funds to be used by the Division of Neighborhood Revitalization, for the fraternal organizations effected and for the greater Maryland community receiving funding and other help from the organizations by its passing.

Thank you for your time and consideration to help Senate Bill 59 get out of Committee.

Sincerely,

Susan C. Stokes

Dear Senator Ronald Young,

My name is Mary Underwood and I reside at 15707 Bond Mill Road in Laurel, Maryland. I am a Past Exalted Ruler (President) from the Laurel Elks Lodge and currently a Maryland State Trustee for the Benevolent and Protective Order of Elks of the United States of America (B.P.O.). I became an Elk member over 6 years ago. I joined the Elks because they are an organization that assist Veterans, communities, children and several charities throughout the state of Maryland. When I first became a member, I saw how the Elks take care of the local Veterans by providing them with need toiletries, inviting them to our Lodge for lunch and providing entertainment for them while attending lunches. The Veterans always enjoy coming to our Lodge for visits.

We have several members who are Veterans themselves and just this past year, one of our members was given an award as he is the last surviving Veteran from the Korean War. If it weren't for organizations such as the Elks, Veterans would be struggling more than they do today. The Elks now sponsors a program, Welcome Home Vets. This program assists Veterans that are ready to get off the street and back into a home. We help them find affordable housing for themselves and their families and provide as much as we can to get them set up in their new homes. We have even had a few of the Veterans invite us to their house for Thanksgiving Dinner because they wanted to share their gratefulness with us. We have provided housewares, clothing and furniture to these Veterans to help them get back on their feet.

Recently, I became involved with a program that helps young males that are coming out of rehab for their addiction and ready to get back into society free and clear of drugs and alcohol. Our Laurel Lodge has pretty much "adopted" these young men and have provided them with housewares, resume writing skills, bikes to get to and from work, beds, linens, etc. We have even provided them with computers so they can continue their progress through their sober programs. I personally have met these young men along with the Director of the facility where they temporarily reside. They have become family not only to me, but to several other members within the Elks organization throughout Maryland.

I am writing you to ask that you help fraternal organizations like the B.P.O. Elks gain access to funds through Instant Ticket Lottery Machines in the form of support for "Slots" for Homeless Veterans Act (SB 59/2020). By approving this Bill, funds from these machines will assist Elks lodges throughout the state of Maryland with programs such as the two that I provided above. We as Elks give to charity on a regular basis and funds are becoming depleted. Funds are needed not only for our Lodges to remain open but to also keep our avenues of charity open. Without our Veterans, we wouldn't be in existence. Without the Elks, the Veterans will remain homeless, in facilities with little care and our younger generations will be forever struggling with the drug epidemic that we are currently experiencing not just in our area in Laurel, but throughout the great State of Maryland.

The funds from these machines will continue the B.P.O. Elks Lodges throughout Maryland to provide lunches, toiletries, household items, training and homes for the homeless Veterans. The funds will also support other charities that we as Elks believe to be of sound and true organizations. To see our State of Maryland free of homeless Veterans and clean and sober citizens is one that we can only wish for. Helping one person at a time is how Elks believe we can help our towns, our cities and our state. Elks care, Elks share.

I appreciate your help and ask that you please send me a response letting me know that you support the Bill that would strengthen our community and assist homeless Veterans.

Thank you for your time and considering my request.

Sincerely,

Mary Underwood

Senator Young,

The Maryland Military Coalition supports Senate Bill 59.

We believe this initiative will help put money toward helping our homeless Veterans at a low cost to the state.

I plan to attend the hearing tomorrow and offer oral testimony in support. My written statement is attached.

It would be very helpful if your staff could sign me up to speak and provide the appropriate number of statement copies to the committee.

Hopefully the Senate co-chairs of the Veterans Caucus will provide a letter of support as well.

See you tomorrow!

Take care,

## MARYLAND MILITARY COALITION

### SUPPORT SENATE BILL 59

**Senate Bill 59 – “Slots” for Homeless Veterans Act  
Senate Budget and Taxation Committee  
January 9, 2020**

Good Afternoon Chairman Guzzone and Members of the Senate Budget and Taxation Committee. My name is Brian Smith; I am a retired Navy Veteran from National Harbor, Maryland. I am also the volunteer Vice President of the Maryland Military Coalition, an alliance of sixteen Veterans organizations that represent over 100,000 members, about one-fourth of Maryland's Veterans. The signatories of our coalition partners are provided on the next page.

I am here today to **support Senate Bill 59**, the “Slots” for Homeless Veterans Act.

This bill expands an already legal activity and expands participation opportunities into new venues. Most importantly it opens a new, desperately needed funding stream to both the Department of Veterans Affairs' Maryland Veterans Trust Fund and the Division of Neighborhood Revitalization in the Department of Housing and Community Development (DHCD). These funds will assist these organizations in addressing and preventing homelessness for our Veterans and their families.

**Who are homeless Veterans?** The National Coalition for Homeless Veterans notes:

- **About 11% of the adult homeless population are veterans.** The majority are single; live in urban areas; and suffer from mental illness, alcohol and/or substance abuse, or co-occurring disorders.
- **Homeless Veterans are disproportionately African American or Hispanic.** Roughly 45% of all homeless veterans are African American or Hispanic, despite only accounting for 10.4% and 3.4% of the U.S. veteran population, respectively.
- **Nearly half of homeless veterans served during the Vietnam era.**
- **Two-thirds served at least three years, and one-third were stationed in a war zone.**

**How many homeless Veterans are in Maryland:** As of January 2018, Maryland had an estimated **574 Veterans** experiencing homelessness on any given day, as reported by Continuums of Care to the U.S. Department of Housing and Urban Development (HUD).

**How can we address this tragedy:** Veterans need a coordinated effort that provides secure housing, nutritional meals, basic physical health care, substance abuse care and aftercare, mental health counseling, personal development and empowerment. Additionally, veterans need job assessment, training and placement assistance. Increased funding will help address this need. This bill will make more funding available at a low cost to the state.

**We respectfully request a favorable report for Senate Bill 59.**

The Honorable Ronald Young

Dear Senator Ronald Young,

My name is Lynne Bailey, along with my husband Warden, we reside at 354 Sheffield Road, Severna Park, Maryland. My husband has been an active member of the Severna Park Elks 2482 for 45 years and I have been an Elk for 2 years but an active auxiliary member for 40 years. So we have seen our lodge grow to be a vibrant part of the community. As Elks, we continually feel the need to do more for the community.

I am writing you to ask that you help fraternal organizations like the B.P.O. Elks gain access to funds through Instant Ticket Lottery Machines in the form of support for "Slots" for Homeless Veterans Act (SB 59/2020). If we had slots (only a few), we could do more for our charitable works than ever before, as proven by the other fraternal organizations that already have slots. Most Elk lodges in the state already have 5 slots, and are giving back more than ever. Right now, we must continually raise funds to give back to our many charities.

I appreciate your help and ask that you please send me a response letting me know that you support the Bill that would strengthen our community and assist homeless Veterans.

Thank you for your time and considering my request.

Sincerely,

Ref: ***Slots for Fraternal Organizations  
Bill SB 59/2020***

January 2, 2020

Dear Senator Young,

My name is Maurice DiPoli, a life member of Waldorf Elks Lodge # 2421, for I became a member of the Elks 43 years ago to help needy people, veterans, children, etc., in our local community. Waldorf lodge is celebrating over 50 years helping our community donating over \$2.6 million dollars over these last 50 years. This in my opinion, is a great achievement, for our lodge has impacted our community in a very positive way, which we are all proud of this achievement.

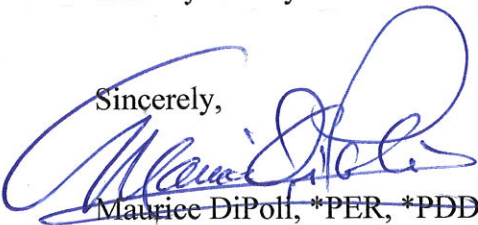

I'm writing you asking for your help in supporting "***Slots for Fraternal Organizations Bill SB 59/2020.***" As you already know, money in our State budget is scarce; therefore Fraternal Organizations such as ours help to fill in the gap. Fraternal Organizations like the B.P.O. Elks, would gain access to funds through the *Instant Ticket Lottery Machines* in the form of support for "Slots;" which in turn will help our lodge with helping our many charities, such as: Veterans, Scholarships for our Children, Local Fire Departments, Hoop Shouts, Boy Scouts, Girls Scouts, Shop with a COP Program, Local Health Departments with baby showers, Veterans dinners, local Charities (Cancer, Diabetes foundation, Heart foundations, etc.), and many other fund raisers to help the needy within our community, etc.

This bill would help our lodge give more back to the community helping the different programs that I have mentioned above.

Your help in voting for this bill will help continue the work we started 50 years ago. And, I appreciate your help in supporting this Bill; and ask that you please send a response letting me know that you are supporting SB 59/2020, helping to strengthen our community..

Thank you for your time and considering my request.

We are a fraternal order that promote and practice the four cardinal virtues of Charity, Justice, Brotherly Love and Fidelity. I am writing you to ask that you help fraternal organizations like the B.P.O. Dear Senator,

My name is Patrick Bozel and I am a resident of Severna Park for the last 35 years and a member of the Fraternal Organization known as the Benevolent and Protective Order of the Elks (BPOE) of Severna Park, MD for thirty years. I have witnessed first-hand the impact of giving back to those in need; our children, our schools, our neighbors, our veterans as well as supporting numerous charitable organizations. The Elks' purpose for the last 150 years as documented in our mission statement "to quicken the spirit of American patriotism; to cultivate good fellowship....the Benevolent and Protective Order of the Elks will serve the people and communities through benevolent programs, demonstrating that Elks Care and Elks Share."

Our desire to assist and help our Veterans and allowing the Severna Park Elks to continue to grow and support our communities can be accomplished with the enactment of this extremely important bill.

I trust you will continue to support Senate Bill 59; allowing the Severna Park Elks to help our Veterans and allow us the opportunity to make an even greater impact in Severna Park and the community at large.

Dear Senator Ronald Young,

My name is Jean McKenzie and I reside at 6835 Old Solomons Island Road in Friendship, Maryland. I am a 7 year member of the Elks association at the Deale lodge and I server in the position of Presiding Justice. My family has been involved with the organization since I was a child. I joined the Elks to make a difference. Since joining, I've helped our organization raise funds to support Eagle scouts, drug awareness, church outreach, homeless shelters, pet charities, Veteran's day luncheons for those who've served, Christmas for Veterans, and scholarships for our students and more. We've sponsored community activities such as 5K runs, Trunk or Treating, High School Prom Breakfasts, Boys and Girls Club Sports Associations, and needy families at Christmas. We help these organizations raise money and we provide them safe, clean space to do so.

I am writing you to ask that you help fraternal organizations like the B.P.O. Elks gain access to funds through Instant Ticket Lottery Machines in the form of support for "Slots" for Homeless Veterans Act (SB 59/2020). This bill will support our lodge in Deale, Maryland and allow us to continue serving those in our community and the surrounding communities in southern Anne Arundel County. Southern High School and the feeder schools have come to depend of the Deale Elks support. We have established a relationship with the schools and our youth and have shown them the benefits of helping others. At Christmas, they came and donated their time to wrap presents for smaller children at our "\$1 shop". They've facepainted at our Halloween events. They've served food at other events. Hon. Young, the youth of our nation, our state, our county and our community are the future. These funds will help the Elks Lodge in Deale to continue to support the youth. It will provide opportunities for team building, getting an education, developing character, and learning to help one another. These funds are critical for the future of southern Anne Arundel County.

I appreciate your help and ask that you please send me a response letting me know that you support the Bill that would strengthen our community and assist homeless Veterans.

Thank you for your time and considering my request.

If this bill is passed, it will afford our lodge to help more special needs children not just for Valentines Day, but for other times during the year. I was introduced to Elkdom by a friend of mine and once I learned what the organization was all about, I decided to join this specific lodge two (2) years ago because I saw and experienced people helping people. Ordinary people of all races and cultures reaching out and supporting not just veterans, special needs children, people less fortunate than others, but brothers and sisters not blood related helping each other.

Passing this bill will afford my lodge to reach and teach more in the community. The principles of our Order are Charity, Justice, Brotherly Love and Fidelity. Dear Senator Young,

My name is Stuart A. Burgoon Sr. and I reside at 101 Leymar Rd. In Glen Burnie, Md. I am a member of The Benevolent Protective Order of Elks, Glen Burnie Lodge #2266. I currently serve as State President Elect and will become President of Maryland Association in June 2020. We are 20,000 proud members serving our charities and communities.

The Elks organization supports many charities in our community. Our Veterans hospitals and V A centers. Youth scholarships. The Elks are 2<sup>nd</sup> to only the U S government in supporting continued educations. Colleges, our vocational and trade school scholarships. Our 140 + acres Camp Barrett in Crownsville lets hundreds of children enjoy a Summer Camp experience. As well as our Girl and Boy Scout troops. The Camp serves many organizations events such as fundraising for Fisher House, Trucking for Troops, Army of Hope and Welcome Home program, to name a few. We help many families with our Holiday baskets and making Christmas happy for many children who are less fortunate.

This all takes money. Many years ago these Lodges were built out of a cigar box and members hard work. Of course times have changed. It is now 2020 and our proud order has over 150 years in charity. Increased prices in utilities, supplies for our building food goods and sundries continue to go up in price. Some Lodges struggle month to month as families do today. But they continue to support their charities and communities.

I am writing you to ask that you help support the Gaming Legislation which will allow our Fraternal Organization to continue the great work we do for our communities. I am asking you to support the Ticket Lottery Machines in the form of support for "Slots" for Homeless Veterans Act expansion of **SB 59/2020** to include our organization. The increased revenue from gaming in the Elks Lodges will help us continue our great support for all we do.

I appreciate your help and ask that you please send me a response letting me know that you support the Bill that would strengthen our community and assist homeless Veterans. Thank you for your time and considering our request.

Sincerely,

Capt. Stu Burgoon Sr.

Dear Senator Young,

My name is Charles Spadone and I reside at 4702 Alcon Drive in Camp Springs, Maryland. I am a Past President/Past Exalted Ruler of Camp Springs ELKS Lodge #2332. I have served proudly as a member of the ELKS for 26 years holding many committee positions at both our lodge level and for the Maryland Delaware and DC ELKS Association. I am currently a member of the Board of Directors of our Lodge and also Chairman of the Trustees for our State Association. I am also a retired Program Manager.

I became an ELK as a result of friends of mine introducing me to the order and explaining all of the ways in which the ELKS nationally and locally provide an impressive amount of community service and assistance for our Veterans, Special Needs citizens, a variety of youth activities, Summer camp, A Drug Awareness Program, an Americanism program to foster and encourage patriotism in our schools and assistance for those in need.

I have attached a point paper outlining the impact that the ELKS have on our community in Prince Georges county which I intend to use as testimony on January 9<sup>th</sup> before the budget and taxation committee.

I am writing you to ask that you help fraternal organizations like the B.P.O. Elks gain access to funds through Instant Ticket Lottery Machines in the form of support for "Slots" for Homeless Veterans Act (SB 59/2020). Access to these funds will help us to continue with a rich tradition of giving in Prince Georges County which we have already been providing for 55 years. This includes support for our Veterans in numerous locations throughout Maryland and Washington D.C. including Charlotte Hall Veterans home, The Soldiers home, ACCESS House, Fisher house and sponsoring Veterans to attend social events at our lodge at no cost. We send children in need to summer camp, maintain partnerships with other Fraternal and Social Organizations to execute a Drug Awareness Program, hearing and vision screenings, blood drives, a national free throw basketball competition, annual canned food drives for the needy and numerous acts of individual charity to those in need.

We maintain an ELKS Lodge building where these programs are conducted. It is an aging facility and costly to maintain. A revenue stream like this will help us in keeping up with increasing costs of maintaining this facility due to its age and also changes in Prince Georges County Fire Department and Health Department regulations that have significant costs associated with them. This translates to our continuing to be able to provide charity in our community.

We appreciate your help and ask that you please send me a response letting me know that you support the Bill that would strengthen our community and assist homeless Veterans.

Thank you for your time and considering my request.

Dear Senator Ronald Young,

My name is Tammy Guttry and I reside at 1624 Wheyfield Drive Frederick, Maryland. I have been a member of the Frederick Elks Lodge #684 for the last 15 years and have served as an officer of the lodge or our state association for all 15 of those years. I am currently the Treasurer in Lodge 684. I am proud of the support our Lodge and all Elks provide to the youth and veterans within our community. That is why I became an Elk in the first place.

I am writing you to ask that you help fraternal organizations like the B.P.O. Elks gain access to funds through Instant Ticket Lottery Machines in the form of support for "Slots" for Homeless Veterans Act (SB 59/2020). These additional funds will help us to better support the Little League and Challenger Little League teams as well as the Boy Scout and Girl Scout troops we sponsor. Additional funds will also allow for our lodge to provide more scholarships to the FCC Technology center and also to support our veterans at both the Martinsburg center and the Montevue / Citizen's Nursing facility. These are just a few of the community groups our lodge has supported in the past and more funding will help us do more within the community.

I appreciate your help and ask that you please send me a response letting me know that you support the Bill that would strengthen our community and assist homeless Veterans.

***Bill SB 59/2020***

January 2, 2020

Dear Senator Young,

My name is Maurice DiPoli, a life member of Waldorf Elks Lodge # 2421, for I became a member of the Elks 43 years ago to help needy people, veterans, children, etc., in our local community. Waldorf lodge is celebrating over 50 years helping our community donating over \$2.6 million dollars over these last 50 years. This in my opinion, is a great achievement, for our lodge has impacted our community in a very positive way, which we are all proud of this achievement.

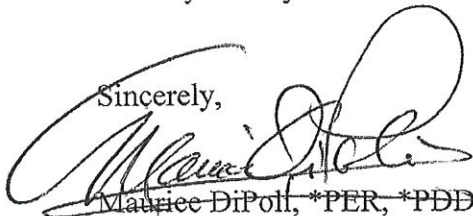

I'm writing you asking for your help in supporting ***"Slots for Fraternal Organizations Bill SB 59/2020."*** As you already know, money in our State budget is scarce; therefore Fraternal Organizations such as ours help to fill in the gap. Fraternal Organizations like the B.P.O. Elks, would gain access to funds through the *Instant Ticket Lottery Machines* in the form of support for "Slots;" which in turn will help our lodge with helping our many charities, such as: Veterans, Scholarships for our Children, Local Fire Departments, Hoop Shouts, Boy Scouts, Girls Scouts, Shop with a COP Program, Local Health Departments with baby showers, Veterans dinners, local Charities (Cancer, Diabetes foundation, Heart foundations, etc.), and many other fund raisers to help the needy within our community, etc.

This bill would help our lodge give more back to the community helping the different programs that I have mentioned above.

Your help in voting for this bill will help continue the work we started 50 years ago. And, I appreciate your help in supporting this Bill; and ask that you please send a response letting me know that you are supporting SB 59/2020, helping to strengthen our community..

Thank you for your time and considering my request.

I am writing you to ask that you help fraternal organizations like the B.P.O. Money used from gaming machines will help our causes, help us with supporting veterans, food drives for the homeless, coats, clothing etc. It would also help us with funds towards our Drug Awareness programs work that we do. The money raised by members playing would go along away and returned into our community and would help many people.

Dear Senator Ronald Young,

My name is Terry Hicks and I reside at 403 Edin Garth in Severna Park, Maryland. I am a member and an officer at the Severna Park Elks Lodge 2482. Over 15 years ago I joined the organization so that I could help the people in our community. We contribute to many organizations that come to us with various needs, from asking us for a donation to their cause to asking for space for their organization to meet. We pass out food baskets during Christmas, Thanksgiving and again at Easter to help our less fortunate neighbors. We are here to serve and want to serve our community.

I am writing you to ask that you help fraternal organizations like the B.P.O. Elks gain access to funds

through Instant Ticket Lottery Machines in the form of support for "Slots" for Homeless Veterans Act (SB 59/2020). We raise money at various functions to help support our drive to help in the community, but the money raised each year is getting less. This bill would help us greatly and give us a new avenue to raise money to help our less fortunate neighbors

I appreciate your help and ask that you please send me a response letting me know that you support the Bill that would strengthen our community and assist homeless Veterans.

Dear Senator Ronald Young,

My name is Chalita Dudley and I reside in Washington, DC. I am a member and serve as the Chaplain at Prince Georges County Elks Lodge 1778 in Riverdale Maryland. I was introduced to Elksdom by a friend of mine and once I learned what the organization was all about, I decided to join this specific lodge two (2) years ago because I saw and experienced people helping people. Ordinary people of all races and cultures reaching out and supporting not just veterans, special needs children, people less fortunate than others, but brothers and sisters not blood related helping each other.

I am writing you to ask that you help fraternal organizations like the B.P.O. Elks gain access to funds through Instant Ticket Lottery Machines in the form of support for "Slots" for Homeless Veterans Act (SB 59/2020). Although, we pay dues and create budgets for the many charities that we assist in, it just doesn't seem to be enough to reach the multitudes in our community the way we would like. Passing this bill will afford my lodge to reach and teach more in the community. The principles of our Order are Charity, Justice, Brotherly Love and Fidelity. We will be able to uphold the principles of our Order better with the passing of this bill.

I appreciate your help and ask that you please send me a response letting me know that you support the Bill that would strengthen our community and assist homeless Veterans.

Thank you for your time and considering my request.

Dear Senator Ronald Young,

My name is Vincent Corrado, Sr. and I reside at 3710 Taylor Street in Brentwood, Maryland. I am a member at Prince Georges Elks Lodge #1778 in Riverdale, Maryland and serve on the building and grounds committee. I have been a member of this lodge for many years and have served on several committees in the past. Our lodge services this community in many ways to include helping our Veterans in the community, servicing our special needs children and feeding the needy.

I am writing you to ask that you help fraternal organizations like the B.P.O. Elks gain access to funds through Instant Ticket Lottery Machines in the form of support for "Slots" for Homeless Veterans Act (SB 59/2020). In February, we host two (2) dances at P.G. County Elks Lodge #1778 on Valentines Day for the special needs kids in not just our community but the surrounding communities. If this bill is passed, it will afford our lodge to help more special needs children not just for Valentines Day, but for other times during the year. This bill will also allow us to do more for our veterans that are trying to adjust to a normal way of life after being in the military and living a military life for long periods of time.

I appreciate your help and ask that you please send me a response letting me know that you support the Bill that would strengthen our community and assist homeless Veterans.

I am a Past Exalted Ruler (President) from the Laurel Elks Lodge and currently a Maryland State Trustee for the Benevolent and Protective Order of Elks of the United States of America (B.P.O.). I became an Elk member over 6 years ago. I joined the Elks because they are an organization that assist Veterans, communities, children and several charities throughout the state of Maryland. When I first became a member, I saw how the Elks take care of the local Veterans by providing them with need toiletries, inviting them to our Lodge for lunch and providing entertainment for them while attending lunches. The Veterans always enjoy coming to our Lodge for visits.

We have several members who are Veterans themselves and just this past year, one of our members was given an award as he is the last surviving Veteran from the Korean War. IF it weren't for organizations such as the Elks, Veterans would be struggling more than they do today. The Elks now sponsors a program, Welcome Home Vets. This program assists Veterans that are ready to get off the street and back into a home. We help them find affordable housing for themselves and their families and provide as much as we can to get them set up in their new homes. We have even had a few of the Veterans invite us to their house for Thanksgiving Dinner because they wanted to share their gratefulness with us. We have provided housewares, clothing and furniture to these Veterans to help them get back on their feet.

Recently, I became involved with a program that helps young males that are coming out of rehab for their addiction and ready to get back into society free and clear of drugs and alcohol. Our Laurel Lodge has pretty much "adopted" these young men and have provided them with housewares, resume writing skills, bikes to get to and from work, beds, linens, etc. We have even provided them with computers so they can continue their progress through their sober programs. I personally have met these young men along with the Director of the facility where they temporarily reside. They have become family not only to me, but to several other members within the Elks organization throughout Maryland.

I am writing you to ask that you help fraternal organizations like the B.P.O. Elks gain access to funds through Instant Ticket Lottery Machines in the form of support for "Slots" for Homeless Veterans Act (SB 59/2020). By approving this Bill, funds from these machines will assist Elks lodges throughout the state of Maryland with programs such as the two that I provided above. We as Elks give to charity on a regular basis and funds are becoming depleted. Funds are needed not only for our Lodges to remain open but to also keep our avenues of charity open. Without our Veterans, we wouldn't be in existence. Without the Elks, the Veterans will remain homeless, in facilities with little care and our younger generations will be forever struggling with the drug epidemic that we are currently experiencing not just in our area in Laurel, but throughout the great State of Maryland.

The funds from these machines will continue the B.P.O. Elks Lodges throughout Maryland to provide lunches, toiletries, household items, training and homes for the homeless Veterans. The funds will also support other charities that we as Elks believe to be of sound and true organizations. To see our State of Maryland free of homeless Veterans and clean and sober citizens is one that we can only wish for. Helping one person at a time is how Elks believe we can help our towns, our cities and our state. Elks care, Elks share.

I appreciate your help and ask that you please send me a response letting me know that you support the Bill that would strengthen our community and assist homeless Veterans.

Thank you for your time and considering my request.

Sincerely,

Dear Senator Ronald Young,

My name is Lynne Bailey, along with my husband Warden, we reside at 354 Sheffield Road, Severna Park, Maryland. My husband has been an active member of the Severna Park Elks 2482 for 45 years and I have been an Elk for 2 years but an active auxiliary member for 40 years. So we have seen our lodge grow to be a vibrant part of the community. As Elks, we continually feel the need to do more for the community.

I am writing you to ask that you help fraternal organizations like the B.P.O. Elks gain access to funds through Instant Ticket Lottery Machines in the form of support for "Slots" for Homeless Veterans Act (SB 59/2020). If we had slots (only a few), we could do more for our charitable works than ever before, as proven by the other fraternal organizations that already have slots. Most Elk lodges in the state already have 5 slots, and are giving back more than ever. Right now, we must continually raise funds to give back to our many charities.

I appreciate your help and ask that you please send me a response letting me know that you support the Bill that would strengthen our community and assist homeless Veterans.

Thank you for your time and considering my request.

Sincerely,

Warden W. and Lynne H. Bailey

Dear Senator Ronald Young,

My name is Terry Hicks and I reside at 403 Edin Garth in Severna Park, Maryland. I am a member and an officer at the Severna Park Elks Lodge 2482. Over 15 years ago I joined the organization so that I could help the people in our community. We contribute to many organizations that come to us with various needs, from asking us for a donation to their cause to asking for space for their organization to meet. We pass out food baskets during Christmas, Thanksgiving and again at Easter to help our less fortunate neighbors. We are here to serve and want to serve our community.

I am writing you to ask that you help fraternal organizations like the B.P.O. Elks gain access to funds through Instant Ticket Lottery Machines in the form of support for "Slots" for Homeless Veterans Act (SB 59/2020). We raise money at various functions to help support our drive to help in the community, but the money raised each year is getting less. This bill would help us greatly and give us a new avenue to raise money to help our less fortunate neighbors

I appreciate your help and ask that you please send me a response letting me know that you support the Bill that would strengthen our community and assist homeless Veterans.

Thank you for your time and considering my request.

Sincerely,

All,

*I have attached the Voting Record for SB 326 as you can see only 3 Senators of the Senate Budget and Taxation Committee voted in favor, while 10 members voted against.*

*Also, I've attached a copy of the Members of that Committee and inserted the Districts they represent. Please review this list and see whether they represent your Lodge's District.*

*If so, I leave it to you as a constituent of their district(s) to perhaps e-mail or write a letter stating your disappointment with their vote and asking them if they would provide you with any details they would be willing to share. If they voted in the affirmative, send them a Thank You Letter and let them know we will be returning again next year.*

*This feedback would be very helpful in preparing for next year's bill.*

Senate Bill 326 – SUPPORT

February 12, 2019

The Honorable Nancy J. King, Chairman  
And Members of the Budget and Taxation Committee  
3 West, Miller Senate Building  
Annapolis, MD 21401

Dear Chairwoman King and  
Members of the Budget and Taxation Committee:

On behalf of the Maryland Legislative Veterans Caucus, I am writing in support of Senate Bill 326 – *State Lottery - Instant Ticket Lottery Machines - Fraternal Organizations ("Slots" for Homeless Veterans Act)*.

Senate Bill 326 would mandate that 10% of annual proceeds from western shore Fraternal and Sororal organizations' ITLM machines go to fund a digital Veterans services and communications program and the veterans homelessness programs provided by the Maryland Department of Housing and Community Development. These programs greatly improve the lives of many veterans in our State.

Thank you for your favorable consideration.

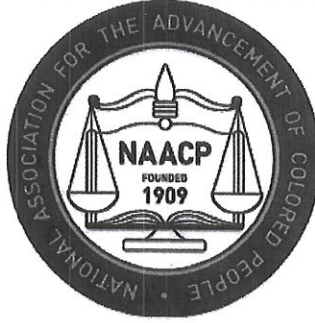

Sincerely,

William C. Smith, Jr.  
Maryland State Senate  
Senate Chair, Veterans Caucus

By supporting SB 326 we could effectively end homelessness for veterans by securing permanent funding for veteran’s homelessness programs. In 2017, over 2000 veterans required services for homeless programs and there were 585 veterans without housing by the end of 2017. This legislation would allow access to funds secured from instant lottery machines housed by fraternal and sororal organizations, many of which already contribute generously to veteran’s programs. By enacting SB 326 we would build on this existing collaboration and could fund up to \$3 million annually to address the needs of homeless veterans.

Veterans of color disproportionately experience homelessness. Roughly 45% of all homeless veterans are African American or Hispanic, despite only accounting for 10.4% and 3.4% of the U.S. veteran population, respectively.

The majority of veterans that experience homelessness are often suffering from mental illness, alcohol and/or substance abuse or co-occurring disorders. This requires a comprehensive approach to addressing veteran homelessness -- an approach that is hindered by lack of permanent funding to provide services and long-term housing solutions.

SB 326 would help to address this funding shortfall and allow for Maryland to serve our veterans who so dutifully served our country. The Maryland State Conference of the NAACP urges a favorable report from the committee on SB 326.

**Re: Letter of Information – Senate Bill 326 - State Lottery - Instant Ticket Lottery Machines - Fraternal Organizations ("Slots" for Homeless Veterans Act)**

Dear Chair King and Members of the Budget and Taxation Committee:

The Maryland Lottery and Gaming Control Agency ("MLGCA" or "Agency") submits this letter of information to the Budget and Taxation Committee ("Committee"), as background information regarding the Instant Ticket Lottery Machine ("ITLM") program. As Senate Bill 326 is currently drafted, it is different in scope and application than the ITLM program that we oversee for the Veteran Service Organizations ("VSO"). In addition, an ITLM is not a "slot machine" or an "electronic pull-tab machine" as those terms are defined in statute. Slot machines are operated by Eastern Shore VSOs and fraternal organizations, which the Agency does not regulate, and electronic pull-tab machine are operated by eligible establishments in Anne Arundel and Calvert counties, which the Agency does regulate.

Under Senate Bill 1 (Chapter 1 of 2013 Laws of Maryland), the Agency was tasked to develop an ITLM program for VSOs, which the Agency established and implemented in September 2014. The ITLM program for VSOs was not designed to be a revenue generator for the State, as the program has only generated \$2.6 million for the General Fund. Rather, the revenue emphasis was placed on assisting VSOs in maintaining their membership and preserving their posts' facilities. As of December 20, 2018, the ITLM program has contributed more than \$16.4 million in total profits to the participating VSO posts and \$259,373 to the Maryland Veterans Trust Fund (MVTFF) for its good causes. ITLMS are located in 84 VSO posts in almost all jurisdictions in Maryland, except the Eastern Shore.

*Unknown Number of Fraternal Organizations*

Currently, in order for a VSO to qualify for the ITLM program, an organization must be tax exempt and organized as a veterans' organization under § 501(c)(19) or § 501(c)(4) of the Internal Revenue Code. No such requirement exists under the proposed bill. In addition, the number of fraternal organizations that could possibly qualify for ITLMs under this proposed program is unknown. The proposed bill may need additional language to limit the scope of eligible organizations, such as a requirement that the organization must have an affiliation with a nationally recognized fraternal origination.

*ITLM Central System Vendor*

Under the Agency's current ITLM program, the Agency utilizes the services of a single vendor – Diamond Game - that operates a central computer monitoring and reporting system and supplies and
