TESTIMONY

January 29, 2020

Committee: Senate Budget & Taxation

Bill: SB 223 – Commission on Tax Policy, Reform, and Fairness

Position: Support

Reason for Position:

The Maryland Municipal League supports Senate Bill 223 and is thankful for the opportunity to designate a representative to this commission, which is tasked with reviewing aspects of the State's tax policy as it interacts with local government.

For the 2020 legislative session, the Maryland Municipal League adopted a Strategic Initiative to explore and support the creation of new municipal sources of revenue.

As it stands, ***municipalities are overdependent on property taxes to provide essential services for their residents.*** Over half of municipal general fund revenues are derived from property taxes, and for some, property taxes account for over 65% of total revenues. Local jurisdictions have little control over the other major sources of revenue, leaving municipalities with few options when fiscal challenges arise. Maryland's cities and towns need alternative revenue sources to support new and existing programs that their residents look for them to provide.

The League respectfully requests that this committee provide SB 223 with a favorable report.
