

Testimony Concerning HB 0954
Baltimore City-45th District-Alcoholic Beverages-Exchange of Class B License
February 16, 2020

Position: Support

To the House of Delegates:

My name is Davon Collins. My partner Derrick Rone, and I have been residents of the Mount Vernon Community for the past three years. Over the course of those years we have patronized a number of businesses in our community. That is why we can proudly say that Aloha Tokyo is a staple for us. Aloha Tokyo has been the social beacon for our time in Mount Vernon and we hope that it continues to be. That sentiment is echoed by my neighbors, their neighbors, and not only by Mount Vernon but Baltimore as a whole. We are in full support of House Bill 0954 as the change in a class "B" liquor license to a class "LBD7" will be beneficial to the community and neighboring areas. We are dedicated patrons and feel Aloha Tokyo is a safe harbor for residents in the Mount Vernon community.

Best Regards,

Derrick Rone and Davon Collins
