ECONOMIC MATTERS COMMITTEE

**HB0962 – Harford County – Alcoholic Beverages – Assisted Living Program**

**Scott Baker – Harford County Liquor Control Board**

**IN SUPPORT**

**Chair Davis and Members of the Economic Matters Committee:**

HB0923 would create a license for an assisted living program (ALP). The license would permit the facility to serve beer and wine to the residents of the facility. In addition, it would permit the resident to purchase their own liquor and allow a staff member to mix a drink for the resident.

HB0923 is consistent with the existing Continuing Care Facility (CCF) License that was recently approved. However, the CCF License is for non-profit facilities while the Assisted Living Program License is designed for facilities that are for-profit.
