SB 590

Public Information Act – Revisions

**Hearing before the Education, Health & Environmental Matters Committee
February 13, 2020**

Position: FAVORABLE

SB 590 represents a significant advance in improving Maryland’s Public Information Act (PIA). As reflected in the recent report of the Public Access Ombud and the PIA Compliance Board (Report), to fulfill the promise of 2015 reforms, there is a significant need to make access to dispute resolution under the Act more accessible, faster, and less expensive for both applicants for public records and for governmental entity custodians.

SB 590’s expansion of the Compliance Board’s jurisdiction will do just that. It will provide user- friendly access to both mediation with the Ombud and immediate recourse to the Board where mediation was unsuccessful. This reform will open access to public records to many in Maryland who are currently blocked from pursuing their rights to public records. Under the current law, as well documented by the Report, all too often government entities in Maryland continue to deny requests that should be granted (at least in part), or worse, ignore valid requests altogether. Applicants for public records have no effective remedy if the government entity refuses to participate in mediation and the applicant cannot afford to hire a lawyer and take the agency to court. SB 590 incentivizes meaningful mediation and provides effective remedies for both sides through the Compliance Board, consistent with the purpose of the PIA.

Yet any party dissatisfied with a Board decision may still appeal to the circuit court and obtain a final, judicial determination. Moreover, a Board decision is automatically stayed when such an appeal is filed. As amended by SB 590, Maryland’s PIA will provide maximum access and flexibility to all interested parties.

The Public Justice Center is a 501(c)(3) charitable organization and as such does not endorse or oppose any political party or candidate for elected office.

SB 590 is necessary to change the culture of compliance with the PIA from essentially optional (Report at 5) to mandatory, as this body intended. The PJC urges a FAVORABLE REPORT on SB 590.
