Re: SB 891 Environment - Solar Panel Stewardship Programs

The Maryland Recycling Network promotes sustainable reduction, reuse and recycling (the 3 "R's") of materials otherwise destined for disposal and the purchase of products made with recycled material content. We achieve these goals through education programs, advocacy activities to affect public policy, technical assistance efforts, and the development of markets to purchase recycled materials and manufacture products with recycled content.

We are writing to share our general support for SB 891 Environment - Solar Panel Stewardship Programs. We appreciate the recognition that this will be an issue in the future for which we need to plan today.

The Maryland Recycling Network stands ready to serve as a sounding board and resource for legislators and others interested in pursuing our mission. Please do not hesitate to contact me via email [phoustle@marylandrecyclingnetwork.org](mailto:phoustle@marylandrecyclingnetwork.org), phone 301-725-2508 or mail - MRN, PO Box 1640, Columbia MD 21044 if you have any questions or would like additional information regarding the above.

We look forward to working with you to continue the strides we have all made to improve Maryland's recycling programs in a time- and cost-effective manner.

Sincerely,
