Re: Support – SB711 Aquaculture-Water Column Leases- Conflict Resolution

Dear Chairman Pinsky & Members of the Committee,

I am writing to share my strong support of Senate Bill 711. If enacted as written this legislation would positively impact many members in my county who would otherwise be effected by aquaculture lease without their chance for input, conflict resolution or potential recourse. This is especially important to me as I am also a waterfront property owner.

I request a favorable report on Senate Bill 711. Thank you for your consideration.

Respectfully,

Jennifer Boyd
