***Re: Letter of Information – House Bill 55 - Natural Resources – Certificate of Title – Transfer-on-Death Beneficiary Designation***

Dear Chair Barve, Vice Chair Stein and Committee Members:

The Maryland Department of Natural Resources offers the following information on House Bill 55. This bill will allow a sole vessel owner the ability to designate a beneficiary to take ownership of the vessel on the death of the owner. The ability to designate a beneficiary is now available to car owners, but it is not currently allowed for boat owners.

Due to restrictions in the current electronic licensing system, we request that the following amendments be made. The amendments would allow for the Department to allow the ability to designate a beneficiary to take ownership of the vessel on the death of the owner at the time a new licensing system has been established that can handle the required changes.

For these reasons, the Maryland Department of Natural Resources respectfully requests the Committee support the requested amendments to House Bill 55.

Respectfully submitted,  
James W. McKitrick  
Director, Legislative and Constituent Services
