HB23

Motor Vehicle Registration-Exception for Golf Carts-Hoopers Island

- ***Why is the Bill being introduced?***

The bill is being introduced at the request of the Dorchester County Council for the residents of Hoopers Island.

- ***What does the Bill do?***

This bill allows the residents of Hoopers Island, who possess a valid driver's license to operate a golf cart on a highway with a maximum speed of 30 miles per hour on Upper or Middle Hoopers Island, which are designated by the County Council of Dorchester County.

- ***Why is it important to pass now?***

The local residents of Hoopers Island have been asking Dorchester County for several years to have the opportunity to use golf carts in their small community.
