RE: SB 915 – Support with Amendment

Dear Chair Kelley and Members of the Committee:

Kaiser Permanente is pleased to support and offer an amendment to SB 915, Maryland Insurance Administration - Pharmacy Services Administrative Organizations - Regulation.

Kaiser Permanente is the largest private integrated health care delivery system in the United States, delivering health care to over 12 million members in eight states and the District of Columbia.<sup>1</sup> Kaiser Permanente of the Mid-Atlantic States, which operates in Maryland, provides and coordinates complete health care services for approximately 755,000 members. In Maryland, we deliver care to over 430,000 members.

SB 915 defines a “pharmacy services administrative organization” (PSAO) as an entity operating within the state that i) contracts with independent pharmacies to conduct business on their behalf with third-party payers; ii) provides administrative services to independent pharmacies; or iii) negotiates and enters into contracts with third-party payers or pharmacy benefits manages on behalf of independent pharmacies. The bill also specifies that a PSAO includes a person who performs one or more specified administrative services for an independent pharmacy.

Kaiser Permanente does not believe that a health maintenance organization that operates as a group model would fall within the definition of a PSAO. However, we respectfully request the amendment below as clarifying.

Thank you for the opportunity to comment. Please feel free to contact Wayne Wilson at [Wayne.D.Wilson@kp.org](mailto:Wayne.D.Wilson@kp.org) or (301) 816-5991 with questions.

<sup>1</sup> Kaiser Permanente comprises Kaiser Foundation Health Plan, Inc., the nation’s largest not-for-profit health plan, and its health plan subsidiaries outside California and Hawaii; the not-for-profit Kaiser Foundation Hospitals, which operates 39 hospitals and over 650 other clinical facilities; and the Permanente Medical Groups, self-governed physician group practices that exclusively contract with Kaiser Foundation Health Plan and its health plan subsidiaries to meet the health needs of Kaiser Permanente’s members.

Sincerely,
