The Honorable Delores G. Kelley, Chair
Senate Finance Committee
3 East, Miller Senate Office Building
Annapolis, MD 21401

RE: SB 690 –Public Health – Long-Term Care Planning - INFORMATION

Dear Chair Kelley:

The Maryland Health Care Commission (Commission) would like to provide the Senate Finance Committee with information related to Senate Bill 690 (SB 690).

SB 690 requires that the Maryland Department of Health “develop and publish materials to assist Maryland residents with long-term care family planning” that match the requirements for the “PLAN NOW Starter Kit” that was recommended in the Report of the Maryland Governor’s Task Force on Long-Term Care Planning published in 2018. The Maryland Health Care Commission (the “Commission”) is willing to include these or similar materials in the web-based Consumer Guide to Long-Term Care.¹

The Commission is dedicated to educating and informing consumers about health care cost and quality. One of the Commission’s on-going projects is publishing the Consumer Guide to Long Term Care. This Consumer Guide is a robust website that provides information on planning for long-term care, paying for long term care, advanced directives, and other information related to resources for aging adults in Maryland. The Consumer Guide provides in-depth information on the long term care options in Maryland, including nursing homes, assisted living facilities, and continuing care retirement communities. The Consumer Guide also has extensive information on resources to support older adults living at home. This website has approximately 1,600 new users a month, providing valuable resources to large numbers of individuals over the course of the year.

The Commission is willing to add materials like the “Plan Now Starter Kit” to the Consumer Guide for Long Term Care to compliment the information already included on the website.

I hope you find this information useful. Please feel free to contact me at (410) 764-3566 or Ben.Steffen@maryland.gov, or Megan Renfrew, Government Affairs and Special Projects, at (410) 764-3483 or Megan.Renfrew@maryland.gov if you have any questions.

¹ The Consumer Guide to Long Term Care is assessable at the following web address:
