The Montgomery County Board of Education (Board) **supports** HB0409.

HB0409 would align Maryland Department of Health regulations on school-based health centers with Maryland State Department of Education standards on school-based health standards (<http://marylandpublicschools.org/about/Documents/DSFSS/SSSP/SBHC/MarylandSBHCStandards.pdf>)

This bill has the potential for increasing student access to healthcare services.

For these reasons, the Board **supports** this legislation and urges a favorable report.
