**Health and Government Operations Committee**

**January 29, 2020**

**HB 44 Commission to Advance Next Generation 9-1-1 Across Maryland- Extensions and Alterations**

**Why Do We Need this Bill?**

With Next Generation 9-1-1, effective June 2020, continued monitoring of this new and vital program in Maryland will ensure a positive outcome for the public safety of Marylanders.

**What Does This Bill Do?**

This bill extends the termination date, from June 30, 2020, to June 30, 2022, of the Commission to Advance Next Generation 9-1-1 Across Maryland. The bill also requires the commission to submit two additional reports to the Governor and the General Assembly (one due December 15, 2020, and one due December 15, 2021) on the progress toward the implementation and evolution of Next Generation 9-1-1 service across the State.

**I urge the Committee to favorably report HB 44**
