SUPPORT CONGRESSIONAL TERM LIMITS AMENDMENT

A very important resolution has been introduced in the Maryland General Assembly by Delegate Mike McKay which has bi-partisan support! The resolution is an Article V application to allow the state propose a Congressional Term Limits Amendment.

THE MANY BENEFITS OF CONGRESSIONAL TERM LIMITS:

ELECTIONS ARE NOT TERM LIMITS: The approval rating of Congress is consistently below 20%, yet the reelection rate is over 95% because of the numerous advantages incumbents have over challengers, making it virtually impossible to vote to vote them out of office. Term Limits will prevent people from becoming too powerful in Congress and better reflect the will of the people.

AMERICAN VOTERS WANT TERM LIMITS: An overwhelming 82% (avg.) of Americans support a Term Limits Amendment for Congress crossing party lines at; 89% Rep, 83% Ind, and 79% Dem (McLaughlin and Associates). **Have you polled your constituents on this issue?**

FAIR AND COMPETITIVE ELECTIONS: Term limits provide ordinary people a REAL CHANCE to run for office because they will not need to raise Millions of \$\$\$ to go against the incumbent's war chest.

GET BIG MONEY OUT OF POLITICS: 97% of corporate PAC money goes to the incumbents because the lobbyists and special interest groups already have them in their back pocket. Term limits will break this hold they have on the members of Congress and will reduce the amount of money spent on incumbents.

STOP THE DIALING FOR DOLLARS: Members of Congress spend 30-70% of their time on the phone raising money for their reelection and their party instead doing the job they were sent to do. Term Limits will change this terrible system by allowing members to focus on their job, not their lifelong political career.

MORE CHOICE AT THE BALLOT BOX: America faces an epidemic of lopsided elections dominated by incumbents. Term Limits break up that monopoly by ending incumbent advantage and allow for new faces to run giving the voters more choices.

MORE EXPERIENCED LEADERS: Term limits increases the real-world experience of a legislature by providing people from all walks of life an opportunity to serve in elected office. We need more teachers, doctors, farmers, small business owners, etc. in Congress to better represent the nation.

CITIZEN LEGISLATORS INSTEAD OF CAREER POLITICIANS: Term limits produce leaders who are closer to their constituents, because their limited time in office ensures a compulsory return home, where they too must live under the laws they've enacted.

LESS CORRUPTION: Term limits sever lobbyists' and bureaucrat's ties with politicians and jam the revolving door by making ex-lawmakers less valuable. In doing so, it safeguards public service from those who seek to exploit it for personal gain.

RESTORE POLITICAL COURAGE: Under the status quo, Congress avoids an issue – such as reducing the \$23 Trillion Debt, Immigration Crisis, Healthcare Crisis, etc. that might threaten their job-for-life. Term-limited lawmakers know they've been sent to do a job, and won't shrink under pressure.
