I am asking you to submit an unfavorable report for SB901 for these reasons:

- The fiscal notes say there is a potential decrease of significant federal funds if this bill passes.
- This bill ties the hands of local jurisdictions and mandates that they do not comply with coordinating with the federal government in following federal immigration laws.
- Passage of this bill will make residents of Maryland less Safe.
- This bill is not in compliance with the Maryland Constitution.
- There are lawsuits in California that could make this bill, if enacted into law, unconstitutional.
